[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

M-LOK Type 2 Rail Covers are low-profile, two-piece covers that install directly onto M-LOK compatible systems. These M-LOK Covers are non-orientation specific which allow the user to mount them in any direction desired without affecting function. The contact surfaces on these covers are textured using the Magpul TSP texture for additional grip, adding slightly more than 1/8" from the mounting surface, these covers also feature a beveled contour to minimize potential snagging. The locking tab is pre-scored down the center to allow the user to snap off sections and mix and match colors for a more custom look. Includes six panels. Each covering one M-LOK slot.
