

# **QDM-QUICK DISCONNECT SLING SWIVEL - MAGPUL QDM QUICK DISCONNECT SLING MOUNT BLACK**

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

The Magpul QDM is a Melonited, heavy duty upgrade to standard quick detach sling swivels. The innovative design allows for a lower profile sling swivel that offers one-handed manipulation, an optimized bale that rotates freely and canalizes rifle slings to prevent rollover, and superior resistance to corrosion. 2-point engagement prevents accidental release. Optimized bale for sling management. Fits all standard sized QD cups. Designed to work with 1 1/4" slings. Superior corrosion resistance. Made in the USA.

# Safety Instruction Guide for Magpul QDM Quick Disconnect Sling Swivel

## Introduction

Thank you for choosing the Magpul QDM Quick Disconnect Sling Swivel. This product is designed to enhance your shooting experience by providing a reliable and efficient way to attach and detach your rifle sling. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the sling swivel is securely attached to your firearm before use.
- Regularly inspect the sling swivel for any signs of wear, damage, or corrosion.
- Do not exceed the manufacturer's recommended weight limits when using the sling swivel.
- Keep the sling swivel out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the sling swivel only for its intended purpose as a quick disconnect mechanism for rifle slings.
- Ensure that the sling is properly threaded through the sling swivel to prevent accidental release.
- Avoid using the sling swivel in wet or corrosive environments without proper maintenance.
- Do not modify or alter the sling swivel in any way, as this may compromise its safety and functionality.
- Be aware of your surroundings when using the sling swivel to prevent accidents or injuries.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the QD cup on your firearm.
- Align the Magpul QDM Quick Disconnect Sling Swivel with the QD cup.
- Push the swivel into the QD cup until you hear a click, indicating it is securely locked in place.
- Ensure that the swivel is firmly attached by pulling on it gently.

### 2. Usage:

- To detach the sling swivel, press the release button on the swivel while pulling it out of the QD cup.
- Always verify that the sling swivel is properly engaged before using your firearm.
- If using a 1 1/4" sling, ensure that it is threaded correctly through the optimized bale for maximum efficiency.

## Disposal Instructions

- Dispose of the Magpul QDM Quick Disconnect Sling Swivel in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains any hazardous materials.
- Consider recycling the materials if applicable.

## Contact Information for Further Support

For any questions or concerns regarding the Magpul QDM Quick Disconnect Sling Swivel, please refer to the manufacturer's website or customer service for support.

Thank you for prioritizing safety and responsible usage. Enjoy your shooting experience with the Magpul QDM Quick Disconnect Sling Swivel!
