GEN 3 Ergonomics & Reliability For Your AK Plus Internal Reinforcing For Maximum Durability

The Magpul PMAG AK/AKM GEN M3 brings Kalashnikov PMAG technology up to the same state-of-the-art as GEN M3 mags for AR-pattern rifles. This rugged yet lightweight, high-reliability mag is designed specifically for AK-pattern rifles, including the AKM, AKS, SIG556R, and similar variants. The mag body has a steel-reinforced spine and front/rear lugs for superb durability under hard use, plus Magpul's constant-curve internal geometry for smooth movement of the round stack. Handy paint pen dot matrix panels on the lower portion of the body make it easy to ID each of your mags. The flared floorplate is easy to grab, yet is slim enough for use with standard AK mag pouches, and of course it's easy to remove for cleaning. The low-friction, anti-tilt polymer follower delivers reliable performance and the durability you expect from any magazine with the "PMAG" name. Counts as 3 U.S.-sourced parts for compliance with 18 U.S.C. Sec. 922(r).

Safety Instruction Guide for Magpul PMAG AK/AKM GEN M3 Magazine

Introduction

Thank you for choosing the Magpul PMAG AK/AKM GEN M3 Magazine. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this manual carefully before use to familiarize yourself with the product and its safety precautions.

General Safety Guidelines

- Always treat every magazine as if it is loaded.
- Store magazines in a safe and secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine for any signs of damage or wear.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use and possession of firearms and magazines.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your firearm model before use.
- Do not exceed the specified capacity of 30 rounds to maintain safe operation.
- Avoid using ammunition that is not recommended for your firearm.
- Always keep the magazine pointed in a safe direction when loading or unloading.
- Use eye protection and hearing protection when shooting.
- Keep your fingers away from the trigger until you are ready to fire.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the magazine is clean and free from obstructions.
- Hold the magazine with the feed lips facing upwards.
- Load rounds into the magazine one at a time, ensuring they are seated properly.
- Do not force rounds into the magazine; if resistance is felt, check for obstructions.

2. Installing the Magazine in the Firearm:

- Ensure the firearm is pointed in a safe direction and is on safe mode.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.
- Verify that the magazine is securely in place before proceeding.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button while pulling the magazine down and out of the magazine well.
- Store the magazine in a safe location.

4. Cleaning and Maintenance:

- Regularly clean the magazine using a soft cloth and mild soap if necessary.
- Avoid using harsh chemicals that may damage the polymer material.

- Inspect the magazine for wear and tear after each use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.
