

PMAG® 7.62 AC 308 WINCHESTER MAGAZINE FOR AICS SHORT ACTION - MAGPUL PMAG 5 7.62 AC 308 WINCHESTER 5RD FOR AICS SA BLK 1/PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 5 7.62 AC and PMAG 10 7.62 AC are a reliable and durable polymer magazine for .308 Winchester-based family of cartridges and is compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock. Compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock, the PMAG 5 and 10 7.62 AC magazines bring additional capacity in an affordable and reliable package. Featuring GEN M3® technology, a paint-pen dot matrix for visual identification, and a flared base plate for positive control and ease of retrieval, the PMAG 10 7.62 AC sets a new standard for bolt action magazines.

FEATURES

- RUGGED POLYMER BODY WITH AN IMPROVED FLOORPLATE** Next-generation impact and crush-resistant polymer construction
- Flared and removable floorplate** aids magazine handling and is easy to disassemble for maintenance
- ADVANCED FOLLOWER** Self-lubricating follower for increased reliability
- Modifiable follower leg** can be easily clipped to increase the capacity by one extra cartridge
- Includes a long-life stainless steel spring**
- EASY IDENTIFICATION** Utilize the paint pen dot matrix to easily identify magazines with different loadouts
- Made in the USA.**
- SPECS** Caliber: 7.62x51mm / .308 Winchester Capacity: 5 or 10 Round depending on magazine Compatibility: Compatible with short action AICS (Accuracy International Chassis Systems) pattern bottom metal and cartridges built on a 0.470" case head such as 7.62x51/.308 Winchester, 7mm-08 Remington, 6.5mm Creedmoor, .260 Remington, .243 Winchester, and others* *PLEASE NOTE: Not compatible with smaller base diameter cartridges such as .220 Swift, .223 Remington, .300 AAC Blackout, etc. or larger short action magnums. In addition, due to the wide variety and potential combinations of aftermarket receivers, stocks, chassis, and bottom metal that accept AICS pattern mags, minor fitting may be required. Not compatible with Accuracy International AE rifles or semi-auto platforms utilizing SR25/M110 pattern magazines. The Sig Cross rifles ship with a Magpul PMAG 5 7.62 AC that has a proprietary sled follower for optimized single-round loading through the ejection port. The standard PMAG 5 7.62 AC (MAG549) and PMAG 5 7.62 AC (MAG579) are compatible with the Sig Cross, and feeding performance will be the same from the Sig Cross OEM Magpul magazine or the standard Magpul PMAG 7.62 AC magazines. The original PMAG 5 7.62 AC magazine, identified by its green lock plate and follower, was optimized for the .308 Winchester based family of cartridges and is compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock, and performed well with most non-.308 based cartridges in nearly all applications. Some three lug bolt action rifle platforms, such as the Ruger American Rifle®, presented some occasional feeding concerns when used with the standard green follower PMAG 5 7.62 AC magazine. Magpul have made an inline change to a new design of spring and follower. The revised PMAG 5 7.62 AC magazine, easily identified with its brown lock plate and follower, has been optimized to ensure complete Magpul reliability with a broad range of calibers in the Ruger American Rifle® and other 3-lug bolt designs, while maintaining or improving the proven Magpul reliability in Remington® 700 footprint platforms and other 2-lug bolt action designs. For the Hunter American stock, Magpul recommend using only the new, brown follower magazines, in calibers like 6.5 Creedmoor. All other

actions, and the Ruger in .308, can use either version interchangeably.

Attributes

- Name: [MAGPUL PMAG 5 7.62 AC 308 WINCHESTER 5RD FOR AICS SA BLK 1/PACK](#)
- Manufacturer: [MAGPUL](#)

PMAG® 7.62 AC 308 Winchester Magazine Safety Instructions

Introduction

Thank you for choosing the PMAG® 7.62 AC 308 Winchester Magazine. This guide provides essential safety instructions and usage guidelines to ensure safe operation and maintenance of your magazine. Please read this document carefully before use to familiarize yourself with important safety information.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use with .308 Winchesterbased cartridges. Always handle with care.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Check the EU Safety Gate platform for updates.
- **Online Shopping:** Ensure you purchase from authorized retailers to guarantee product safety and compliance.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, please refer to the manufacturer's contact details provided with your purchase.
- **Rapid Alerts:** Be aware of any alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the magazine is compatible with your firearm's AICSspec bottom metal. This magazine is designed for .308 Winchester and similar cartridges only.
- **Inspection:** Before each use, inspect the magazine for any signs of damage or wear. Do not use if damaged.
- **Loading:** Follow the recommended loading capacity of 5 or 10 rounds. Overloading may lead to malfunction.
- **Firing:** Always ensure your firearm is pointed in a safe direction when loading or unloading the magazine.
- **Storage:** Store the magazine in a cool, dry place away from direct sunlight to maintain its integrity.
- **Maintenance:** Regularly clean the magazine to prevent malfunctions. Refer to the maintenance instructions for detailed cleaning procedures.

Instructions for Installation and Usage

- **Installation:**

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Align the magazine with the magazine well of your firearm.
3. Push the magazine firmly into place until you hear a click, indicating it is secured.

- **Usage:**

- To load the magazine:
 1. Hold the magazine with the opening facing up.
 2. Insert cartridges one at a time, ensuring they are seated properly.
 3. Do not exceed the magazine's capacity.
- To remove the magazine:
 1. Press the magazine release button on your firearm.
 2. Pull the magazine downward to detach it from the firearm.

- **Disposal Instructions:**

- Dispose of the magazine responsibly. If damaged beyond use, recycle the polymer material where facilities exist.
- Follow local regulations for disposal of firearm accessories.
