# Safety Instruction Guide for the Magpul Remington 700 Hunter Stock

## Introduction

Thank you for choosing the Magpul Remington 700 Hunter Stock. This adjustable stock is designed to enhance your shooting experience while ensuring your safety and the safety of others. Please read this safety instruction guide thoroughly before use to understand how to safely and effectively use this product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is unloaded before attaching or adjusting the stock.
- Store the stock and firearm securely when not in use.
- Regularly inspect the stock for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use only compatible accessories as specified in the product description.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that minors are supervised by a responsible adult when handling firearms.
- **Installation Safety:** Ensure that the firearm is completely unloaded before beginning installation. Failure to do so may result in accidental discharge.
- **Adjustable Features:** When adjusting the length of pull and comb height, do so carefully to avoid pinching fingers or causing the stock to become unstable.
- **MLOK Compatibility:** When attaching accessories using the MLOK system, ensure that they are securely fastened to avoid accidental detachment during use.
- **Magazine Well Usage:** When using the Bolt Action Magazine Well, ensure that the magazine is properly seated and that the firearm is in a safe condition before loading.

## Instructions for Installation and Usage

### 1. Installation of the Stock:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Remington 700 Short Action by unscrewing the stock screws.
- Align the Magpul Hunter Stock with the action and bedding block.
- Securely fasten the stock screws to ensure the stock is properly attached.
- Check for stability and ensure there is no movement.

### 2. Adjusting Length of Pull and Comb Height:

- To adjust the length of pull, locate the adjustment mechanism on the stock.
- Loosen the adjustment screw and slide the stock to the desired length.
- Tighten the screw securely to hold the adjustment in place.
- For comb height adjustment, attach the Magpul SGA Cheek Riser Kit as per the instructions included with the kit.

### 3. Using the MLOK System:

- Select compatible MLOK accessories.

- Align the accessory with the MLOK slots on the stock.
- Insert the MLOK nuts into the slots and tighten securely.

#### **4. Using the Bolt Action Magazine Well:**

- Attach the magazine well according to the included instructions.
- Ensure that the detachable box magazine is properly seated before loading ammunition.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the stock is damaged beyond repair, contact your local waste management authority for proper disposal methods.
