

REM 700 SA HUNTER STOCK ADJUSTABLE - MAGPUL HUNTER 700 ADJUSTABLE STOCK FOR REMINGTON 700 SA ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Made from reinforced polymer and a machine finished, anodized A380 cast aluminum bedding block, the Magpul Remington 700 Hunter Stock offers users enhanced ergonomics and optional adjustable length of pull and comb height with the Magpul SGA Recoil Pad Adapter and Magpul SGA Cheek Riser Kit, both sold separately. Compatible with all Remington 700 Short Actions, this stock requires no bedding and is a true “drop-in” solution for the end user. This stock is also M-LOK compatible to accept a broad range of accessories. Also available separately is the Bolt Action Magazine Well, which allows the rifle to be used with detachable box magazines without the need for custom inletting.

Safety Instruction Guide for the Magpul Remington 700 Hunter Stock Adjustable

Introduction

Thank you for choosing the Magpul Remington 700 Hunter Stock Adjustable. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this stock.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your stock and firearm for any signs of wear or damage before use.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Report any unsafe products or accidents to your local authorities.

Specific Safety Precautions for Use

- Only use the Magpul Remington 700 Hunter Stock with Remington 700 Short Action rifles.
- Ensure that the stock is properly installed before using the firearm.
- Do not exceed the manufacturer's specifications for modifications or accessories.
- Be cautious when adjusting the length of pull and comb height to avoid pinching or injury.
- Use only compatible accessories as specified by the manufacturer.
- If you notice any unusual behavior during the operation of your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Remington 700 Short Action rifle.
- Align the bedding block of the Magpul Hunter Stock with the action of the rifle.
- Securely fasten the stock to the firearm using the provided screws.
- Adjust the length of pull and comb height as needed, following the manufacturer's instructions.

2. Usage:

- Before firing, doublecheck that the stock is securely attached.
- Familiarize yourself with the adjustments for length of pull and comb height.
- Practice safe handling techniques, including keeping your finger off the trigger until ready to shoot.
- After use, clean and maintain the stock and firearm as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Magpul Remington 700 Hunter Stock, please consult the manufacturer's website or contact their customer service directly.

Thank you for following these safety guidelines. Your safety and the safety of others is of utmost importance. Enjoy your shooting experience with the Magpul Remington 700 Hunter Stock Adjustable.
