# AK Cheek Riser Safety Instruction Guide

## Introduction

Thank you for choosing the AK Cheek Riser for AK47/74 by MAGPUL. This product is designed to enhance your shooting experience by providing a comfortable cheek weld. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the cheek riser.
- Inspect the cheek riser for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only as intended. Do not modify or alter the cheek riser.
- Be aware of your surroundings when using firearms equipped with this product.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the cheek riser is securely attached before each use.
- Do not exceed the recommended height adjustment of .25 inches.
- Avoid using the cheek riser in extreme weather conditions that may affect its performance.
- Regularly check the attachment points for wear and tear.
- If you experience any discomfort while using the cheek riser, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the attachment points on the MOE AK or ZhukovS Stock.
- Align the cheek riser with the attachment points.
- Press down firmly until you hear a click, indicating that the riser is securely attached.
- Verify that the riser is stable and does not move when pulled.

### 2. Usage:

- Position your cheek against the riser for optimal alignment with the sight.
- Adjust your head position as necessary for comfort and accuracy.
- After use, remove the cheek riser if desired, following the same method as installation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for the polymer material if available in your area.
