# AK Cheek Riser Safety Instructions

## Introduction

Thank you for choosing the AK Cheek Riser for your AK47/74. This product is designed to enhance your shooting experience by providing adjustable cheek weld height. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

To ensure safe use of the AK Cheek Riser, please adhere to the following guidelines:

- Always use the product as intended and according to the manufacturer's instructions.
- Regularly inspect the cheek riser for any signs of wear or damage. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using the product and ensure a safe shooting environment.
- Report any accidents or unsafe conditions to the appropriate authorities.

## Specific Safety Precautions for Use

When using the AK Cheek Riser, please consider the following safety precautions:

- Ensure the cheek riser is securely attached to the stock before use.
- Avoid placing excessive pressure on the cheek riser during use, as this may lead to damage.
- Do not modify the cheek riser in any way, as this may compromise its safety and functionality.
- Always wear appropriate eye and ear protection when using firearms.
- Be mindful of the cheek riser's height adjustment to ensure a comfortable and safe shooting position.

## Instructions for Installation and Usage

Follow these steps to properly install and use the AK Cheek Riser:

### 1. Installation:

- Ensure that the MOE AK or ZhukovS Stock is clean and free from debris.
- Align the cheek riser with the designated clipon area of the stock.
- Firmly press the cheek riser onto the stock until you hear a click, indicating it is securely attached.
- Check that the riser is stable and does not move when pulled.

### 2. Adjustment:

- To raise the cheek weld, simply pull the riser upward until it reaches the desired height of .25 inches.
- Ensure that the riser is locked in place before using the firearm.

### 3. Usage:

- Position your cheek against the riser for optimal alignment when aiming.
- Maintain a steady grip on the firearm and ensure a proper shooting stance.

## Disposal Instructions

When it comes time to dispose of the AK Cheek Riser, please follow these guidelines:

- Do not dispose of the product in regular household waste.

- Check local regulations for proper disposal of polymer materials.
- Consider recycling options where available to reduce environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the AK Cheek Riser, please refer to the manufacturer's website or contact your local retailer. It is important to have access to support for any safety inquiries or product issues.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your AK Cheek Riser. Always prioritize safety and stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to these important guidelines.
