

# **HUNTER 700 SHORT ACTION MAGAZINE WELL BOTTOM METAL - MAGPUL HUNTER 700 MAG WELL BOTTOM METAL FOR REMINGTON 700 SA BLACK**

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

The Magpul Bolt Action Magazine Well is a drop-in solution for our Remington 700 Hunter Stock for those that are wishing to add detachable box magazine capabilities to their rifle. By simply removing your OEM bottom metal and the insert on the Hunter 700 Stock, users can add this reinforced polymer trigger guard and magazine well to their rifle without the need for custom inletting from gunsmiths. Designed to work with AICS pattern, short action magazines. This kit also includes the Magpul PMAG 5 AC.

The Magpul Bolt Action Magazine Well is a drop-in solution for the Magpul Remington 700 Hunter Stock for those that are wishing to add detachable box magazine capabilities to their rifle. # HUNTER 700 SHORT ACTION MAGAZINE WELL BOTTOM METAL SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HUNTER 700 Short Action Magazine Well Bottom Metal by Magpul. This product is designed to enhance the functionality of your Remington 700 rifle by allowing the use of detachable box magazines. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is installed correctly according to the provided instructions to avoid potential hazards.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage. Do not use if any parts are broken or missing.
- Report any unsafe product experiences to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use AICS pattern, short action magazines with this product.
- Ensure that the magazine is securely seated in the magazine well before use.
- Do not attempt to modify the magazine well or any associated components.
- Always ensure that the firearm is pointed in a safe direction when loading or unloading.
- Wear appropriate eye and ear protection when using the firearm.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Remove the OEM bottom metal from your Remington 700 rifle.
- Take out the insert on the Hunter 700 Stock.
- Align the Magpul Bolt Action Magazine Well with the stock and ensure proper fit.
- Securely attach the reinforced polymer trigger guard and magazine well to the rifle.
- Verify that the installation is complete and that all components are secure before using the firearm.

### 2. Usage Steps:

- Load the compatible AICS pattern magazine with ammunition.
- Insert the magazine into the magazine well until it clicks into place.
- Check that the magazine is properly seated and that the firearm is ready for operation.
- Follow all firearm safety protocols during operation.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product is damaged or no longer needed, please follow local guidelines for the disposal of plastic and metal components.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries regarding the use or safety of the HUNTER 700 Short Action Magazine Well Bottom Metal, please refer to the product packaging for the manufacturer's contact details and support information. It is important to have access to assistance for any concerns or questions related to the product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HUNTER 700 Short Action Magazine Well Bottom Metal. Always prioritize safety and responsibility when handling firearms and related accessories.
