

AK-47/74 MOE AK HANDGUARDS - MAGPUL MOE AK HANDGUARD M-LOK FOR AK47/74 FDE

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Magpul MOE AK Hand Guard is a replacement for standard AK pattern rifles WITHOUT a front sling loop on the hand guard retainer. However, for those weapons with a retaining cap sling loop the MOE AK Hand Guard may be utilized if the loop is removed. Due to the wide range of tolerances of your typical AK, minor fitting may be required. Not compatible with Yugo pattern rifles. Featuring an extended gripping portion, integrated heat shield, M-LOK mounting capability, and replacement gas tube cover, the MOE AK Hand Guard is an upgrade to any AK pattern rifle.

Safety Instruction Guide for Magpul MOE AK Handguard

Introduction

Thank you for choosing the Magpul MOE AK Handguard. This guide provides essential safety information and instructions to ensure safe and effective use of this product. Please read and follow the guidelines carefully to avoid potential hazards.

General Safety Guidelines

- **Product Safety:** The Magpul MOE AK Handguard is designed for safe use on AK pattern rifles. Ensure that your firearm is compatible with this product.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notice and remedies. Stay informed about recalls through official channels.
- **Online Shopping:** If purchased online, ensure that the seller meets all safety requirements as per EU regulations.
- **Special Consumer Focus:** Extra precautions should be taken when handling this product around children and vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that your rifle does not have a front sling loop on the handguard retainer. If it does, remove the loop before installation.
- **Fitting:** Due to the variability in AK patterns, minor fitting may be required. Always test for fit before full installation.
- **NonCompatibility:** This handguard is not compatible with Yugo pattern rifles.
- **Heat Shield:** The integrated heat shield is designed to protect against heat during use. Avoid direct contact with hot surfaces.
- **Installation:** Follow all installation instructions carefully to avoid improper fitting, which may lead to accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver, wrench).

2. Removing the Old Handguard:

- Loosen and remove the retaining cap if applicable.
- Carefully slide off the old handguard from the firearm.

3. Installing the Magpul MOE AK Handguard:

- Align the new handguard with the mounting points on the rifle.
- Slide the handguard into place, ensuring it fits securely.
- If necessary, make minor adjustments for a snug fit.

- Reattach the retaining cap if applicable, ensuring it is secure.

4. Final Checks:

- Confirm that the handguard is firmly in place and does not move.
- Check for any gaps or misalignments that could affect safety.

5. Usage:

- Always handle the firearm with care.
- Avoid placing your hands on the handguard immediately after firing, as it may become hot.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local regulations for recycling and waste management.
- If the handguard needs to be replaced or discarded, ensure it is done in accordance with local laws regarding firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the Magpul MOE AK Handguard, please refer to the designated EU contact point for assistance. Always keep the product documentation handy for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
