# Safety Instruction Guide for Magpul MOE AK Handguard

## Introduction

Thank you for choosing the Magpul MOE AK Handguard. This product is designed to enhance the performance and usability of your AK47 or AK74 rifle. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the handguard.
- Keep the handguard and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the handguard for any signs of damage or wear and replace it if necessary.
- Be aware of your surroundings and ensure you are in a safe environment when handling firearms.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that you have the proper tools and workspace before beginning installation.
- Follow the installation instructions carefully to avoid improper fitting that could affect safety.

### • Handling Precautions:

- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Avoid placing your fingers on the trigger until you are ready to shoot.
- Do not use the handguard in any way that could compromise the safety of the firearm.

### • Usage Precautions:

- Be sure to wear appropriate protective gear, such as safety glasses and hearing protection, when shooting.
- Use only compatible firearms with the Magpul MOE AK Handguard to avoid accidents.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare Your Workspace:

- Gather necessary tools: a screwdriver, wrench, and any other tools specified in the product manual.
- Ensure your workspace is clean and welllit.

#### 2. Remove the Existing Handguard:

- Unload the firearm and remove the existing handguard according to the manufacturer's instructions.

#### 3. Install the Magpul MOE AK Handguard:

- Align the handguard with the gas tube and retainer.
- Securely attach the handguard using the provided screws and tools.
- Ensure that the handguard is firmly in place and does not move.

#### **4. Final Inspection:**

- Check that the handguard is installed correctly and securely.
- Ensure that all components are functioning properly before using the firearm.

### **Usage Instructions**

- Once installed, familiarize yourself with the new handguard features, such as the MLOK mounting capability.
- Practice safe handling techniques as outlined in the General Safety Guidelines.
- Regularly clean and maintain the handguard to ensure optimal performance.

### **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the handguard becomes damaged or is no longer usable, dispose of it responsibly. Check local guidelines for disposal of polymer materials.
- Do not throw away the handguard in regular trash; instead, consider recycling options if available.

### **Contact Information for Further Support**

For any questions or concerns regarding the Magpul MOE AK Handguard, please refer to the official Magpul website or contact their customer support team. It is important to ensure that you have the most accurate and up-to-date information regarding your product.

### **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Magpul MOE AK Handguard. Always prioritize safety and responsible usage while handling firearms. Thank you for your attention to these important safety measures.
