

AK-47/74 ZHUKOV HANDGUARDS - MAGPUL ZHUKOV HANDGUARD M-LOK FOR AK47/74 PLUM

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Magpul Zhukov Hand Guard is a fully-featured AK forearm for the modern AK. The Zhukov Hand Guard casts aside traditional AK forearm shortcomings and offers an extended option for modern shooting techniques, an aluminum chassis for strength and heat dispersion, a comfortable injection molded exterior for superior ergonomics, and M-LOK slots for optimized accessory attachment. Compatible with the Ultimak gas tube rail for optics mounting, the Zhukov Hand Guard redefines functionality for the modern AK platform. Installation requires removal of the hand guard retainer.

Safety Instruction Guide for Magpul Zhukov Hand Guard

Introduction

Thank you for choosing the Magpul Zhukov Hand Guard for your AK47/74. This guide provides essential safety instructions to ensure the safe use and installation of your new hand guard. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the hand guard is installed correctly to avoid any risk of detachment during use.
- Always handle firearms with care and ensure they are unloaded when installing or modifying accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the hand guard for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- Do not use the hand guard if it shows any signs of damage or if it has been involved in a fall or impact.
- Ensure that all accessories attached to the MLOK slots are securely fastened and suitable for use with the hand guard.
- Avoid exposing the hand guard to extreme temperatures or harsh chemicals that may compromise its integrity.
- When using the hand guard for extended periods, monitor for heat buildup to prevent burns or discomfort.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe state before beginning installation.
- Gather necessary tools, including a wrench for removing the hand guard retainer.

2. Installation Steps:

- Remove the existing hand guard retainer from your AK47/74.
- Align the Magpul Zhukov Hand Guard with the mounting points on your firearm.
- Securely attach the hand guard according to the manufacturer's instructions, ensuring it is firmly in place.
- Reattach any components that were removed during the installation process.

3. Usage:

- Familiarize yourself with the hand guard's features, including the MLOK slots for accessory attachment.
- Practice safe handling and usage techniques while operating your firearm with the new hand guard.
- Regularly check the stability of the hand guard and any attached accessories during use.

Disposal Instructions

- When disposing of the Magpul Zhukov Hand Guard, follow local regulations regarding the disposal of polymer materials.
- Do not incinerate the product as it may release harmful fumes.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product information, please refer to the official Magpul website or contact the appropriate customer service channels.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Magpul Zhukov Hand Guard responsibly.
