

STINGER - GALCO INTERNATIONAL STINGER RUGER® LCR®-BLACK-RIGHT HAND

[Home](#)

Galco's Stinger™ belt holster was designed with the KISS principle in mind. Made to carry a small semiautomatic pistol or double-action revolver behind the strongside hip, the Stinger's open top and forward cant allow a fast, easy drawstroke. Safety, security and stealth are all addressed with a covered trigger guard, deep molding and a tunnel-style belt loop that takes up little belt space compared to a pancake-type holster. The Stinger is constructed of premium saddle leather, fits belts up to 1 1/2" wide.
