

# AR-15 KEYMOD FLAT PANEL COVER POLYMER - KNIGHTS ARMAMENT FLAT PANEL COVER KEYMOD POLYMER BLACK 5.5"

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Rail Covers](#)

The KAC Keymod Flat Panel Kit includes a set of seven 5.5" polymer rail panels. Each textured panel snaps securely to any bare section of Keymod equipped rail, providing a more positive gripping surface and also insulating the support hand from barrel heat. While designed for the URX 4 rail, these panels will also fit any other rifle handguard that has a Keymod interface.

## Attributes

# Safety Instruction Guide for AR15 Keymod Flat Panel Cover

## Introduction

Thank you for choosing the AR15 Keymod Flat Panel Cover by Knights Armament. This product is designed to enhance your rifle's grip and protect your hand from barrel heat. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is installed correctly to avoid any risk of injury or malfunction.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage. Do not use if any parts are broken or missing.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- The Keymod Flat Panel Cover is intended for use only on Keymod equipped rails. Do not attempt to use it on other types of rails.
- Avoid exposing the polymer panels to extreme temperatures or direct sunlight for prolonged periods, as this may affect their performance.
- When installing or removing the panels, ensure that the firearm is unloaded and pointed in a safe direction.
- Do not apply excessive force when snapping the panels into place; this may cause damage to the panels or the rail.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Clean the rail area where the panels will be installed to ensure a secure fit.

### 2. Installation:

- Take one of the 5.5" polymer panels from the kit.
- Align the panel with the Keymod slots on the rail.
- Press down firmly until the panel snaps securely into place.
- Repeat this process for the remaining panels as desired.

### 3. Usage:

- Once installed, the panels provide a textured surface for better grip.
- Use the panels to insulate your support hand from barrel heat during use.
- Regularly check the panels to ensure they remain securely attached and free from damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged or no longer usable, consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's official website or customer support channels for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
