KEYMOD HANDSTOP ASSEMBLY SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the KEYMOD Handstop Assembly from Knights Armament. This lightweight polymer accessory is designed to enhance your shooting experience by providing a secure grip on your rifle's handguard. This safety instruction guide is intended to help you use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the product is suitable for your firearm and that it is properly installed.
- Inspect the handstop assembly for any damages or defects before use.
- Avoid using the product in conditions that may compromise its integrity, such as extreme temperatures or exposure to harsh chemicals.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Keymod Handstop Assembly is securely attached to the handguard before firing.
- Do not attempt to modify or alter the handstop assembly in any way.
- Be aware of your surroundings and ensure that your shooting area is safe.
- Use appropriate personal protective equipment, such as eye and ear protection, when using firearms.
- If you notice any unusual behavior or malfunction of the product during use, cease operation immediately and seek assistance.

Instructions for Installation and Usage

Installation Steps

1. **Preparation:** Ensure your rifle is unloaded and pointed in a safe direction.
2. **Select Position:** Choose the desired position on the Keymod handguard where the handstop will be installed.
3. **Align the Handstop:** Align the Keymod Handstop Assembly with the Keymod slots on your handguard.
4. **Secure Attachment:** Press the handstop into the Keymod slot and rotate the locking mechanism until it is firmly secured. Ensure there is no movement.
5. **Final Check:** Doublecheck that the handstop is securely attached before using your firearm.

Usage Instructions

- Grip the handstop with your support hand to stabilize your shooting position.
- Maintain a proper shooting stance to ensure control and accuracy.
- Regularly inspect the handstop during use for any signs of wear or damage.
- After use, clean the handstop as necessary to maintain its condition.

Disposal Instructions

When the KEYMOD Handstop Assembly reaches the end of its life cycle or is no longer needed, dispose of it responsibly:

- Check local regulations regarding the disposal of polymer materials.

- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area for plastic materials.

Contact Information for Further Support

For any safety inquiries or additional support regarding the KEYMOD Handstop Assembly, please refer to the manufacturer's official website or customer service channels.

Thank you for your attention to these safety instructions. Your safety and the safety of others is of utmost importance. Enjoy your shooting experience with the KEYMOD Handstop Assembly!
