

# RIFLE AK TO AR BUFFER TUBE ADAPTER - STRIKE INDUSTRIES AK TO AR BUFFER TUBE ADAPTER BLACK ALUMINUM

[Rifle Parts](#) > [Stock Parts](#) > [Stock Hardware](#) > [Adapter](#)

Strike Industries stock adapter allows for the replacement of any standard fixed AK stock to be converted to accept an AR buffer tube assembly. This adapter is easy to install without any modifications to your AK. With no need to permanently alter the stock tang as it fits inside the adapter and tube. This product will take your AK into the twenty first century with the looks and the adjust-ability of a M4. Strike Industries also incorporated QD (quick disconnects) on both sides of the AK stock adapter.

# Safety Instruction Guide for the RIFLE AK TO AR BUFFER TUBE ADAPTER

## Introduction

Thank you for choosing the Strike Industries RIFLE AK TO AR BUFFER TUBE ADAPTER. This product allows for the conversion of a standard fixed AK stock to accept an AR buffer tube assembly. This guide provides essential safety information, installation instructions, and guidelines to ensure the safe use of your new adapter. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the adapter for any signs of damage or wear before installation and use.
- Keep the adapter out of reach of children and vulnerable individuals.
- Do not use the adapter if it appears to be damaged or malfunctioning.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure the firearm is unloaded before installing the adapter.
- Follow all firearm safety guidelines during installation and use.

### • Usage Safety:

- Use only with compatible AR buffer tube assemblies.
- Do not exceed the manufacturer's specified weight limit for the adapter.

### • Handling Safety:

- Always handle your firearm with care, treating it as if it is loaded.
- Ensure that no one is in the line of fire when using the firearm equipped with the adapter.

### • Storage Safety:

- Store the adapter and firearm in a secure location to prevent unauthorized access.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare Your Workspace:

- Choose a clean, flat surface to work on.
- Ensure that you have adequate lighting.

#### 2. Unloading the Firearm:

- Ensure the firearm is unloaded.
- Verify that the chamber is clear.

### **3. Remove the Existing Stock:**

- Using the appropriate tools, carefully remove the existing fixed AK stock from the firearm.

### **4. Install the Adapter:**

- Align the adapter with the stock tang of the AK.
- Insert the adapter into the stock tang, ensuring a snug fit.
- Secure the adapter according to the manufacturer's instructions.

### **5. Attach the AR Buffer Tube:**

- Once the adapter is securely in place, attach the AR buffer tube assembly as per the manufacturer's specifications.
- Ensure that the buffer tube is tightened and secure.

### **6. Final Inspection:**

- Inspect the installation to ensure everything is properly secured.
- Check for any movement or looseness in the adapter.

## **Usage Instructions**

- Always follow standard firearm safety protocols when using your firearm equipped with the adapter.
- Adjust the stock to your desired length for optimal comfort and control.
- Utilize the QD (quick disconnects) for easy attachment and detachment of slings.

## **Disposal Instructions**

- Dispose of the adapter in accordance with local regulations.
- Do not dispose of the adapter in regular household waste if it is damaged or nonfunctional.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the RIFLE AK TO AR BUFFER TUBE ADAPTER, please refer to the manufacturer's website or contact their customer support for assistance.

By following these guidelines, you can ensure the safe and effective use of your Strike Industries RIFLE AK TO AR BUFFER TUBE ADAPTER. Thank you for your attention to safety and for choosing our product.
