A well kept gun display suggests well kept guns along with expert knowledge, friendly staff and attention to detail. Without a doubt a display with Gun Cradles will leave a great first impression and speak volumes to the quality of your gun shop. Benefits like easier retrieval and return to stand will make your job as a salesman easier too. Give yourself piece of mind in knowing that your guns are properly displayed against the wall with Slatwall Gun Cradles. Unlike regular slatwall hooks, Slatwall Gun Cradles were designed to curl up around the gun for proper support. The thick, vinyl coating provides a safe, no scratch surface for guns. Benefits: Appealing display of long guns. Guns are supported against the wall by cradled hook shape. Bottom hook can support price tags with a hole punch. Features: For use on slat wall or peg board wall displays. Vinyl coated steel wire. Compatible with Label Holding Snaps for price tags. Decorative curl at top of hook.

# SLATWALL GUN CRADLES Safety Instruction Guide

## Introduction

Thank you for choosing the SLATWALL GUN CRADLES 10 PACK from Gun Storage Solutions. This product is designed to securely display your firearms while ensuring safety and ease of access. It is important to follow the safety guidelines outlined in this document to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to display firearms securely.
- Regularly inspect the Gun Cradles for signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearm display and storage.
- Report any unsafe products or accidents to local authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Support:** Ensure that the firearms are properly supported in the cradle to prevent them from falling.
- **Weight Limit:** Do not exceed the weight limit of the Gun Cradles. Each cradle is designed to hold standard firearms securely.
- **Vinyl Coating:** The vinyl coating is designed to prevent scratches. Ensure that the coating remains intact for optimal protection.
- **Installation Surface:** Ensure that the Slatwall or pegboard you are using is securely mounted and capable of supporting the weight of the displayed firearms.
- **Avoid Overloading:** Do not hang more than one firearm per cradle unless specified, to maintain stability and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the location on the Slatwall or pegboard where you want to install the Gun Cradles.
- Ensure that the surface is clean and free of debris.
- Insert the Gun Cradle hooks into the Slatwall or pegboard slots, ensuring they are securely placed.
- Confirm that the cradle is stable and does not wobble.

### 2. Usage:

- Carefully place the firearm into the cradle, ensuring it is fully supported.
- Adjust the position of the firearm if necessary to ensure it is secure.
- Use the bottom hook to attach price tags or labels if needed, ensuring they do not obstruct the firearm.

### 3. Regular Maintenance:

- Periodically check the Gun Cradles for any signs of wear or damage.
- Clean the vinyl coating with a soft, damp cloth to maintain its protective qualities.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for steel and plastic materials.
- If the product is damaged or no longer needed, ensure it is disposed of safely to prevent any hazards.

## **Contact Information for Further Support**

For any questions or concerns regarding the SLATWALL GUN CRADLES, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these guidelines, you can ensure a safe and effective use of your SLATWALL GUN CRADLES, contributing to a professional and secure display of your firearms. Thank you for your attention to these safety instructions.
