## **Precise Letoff, Fast Rest, Fully-Adjustable For Takeup & Overtravel; Drop-In Installation**

Convenient kits combine easy drop-in installation with the performance benefits of a custom trigger job to give your Glock® an ultra-smooth pull, clean letoff, and short reset without impairing the reliability of the factory safeties. Fully adjustable for pre-travel and over-travel via two easy-to-access hex-head screws (wrench included), so you can tune trigger feel to your exact requirements for maximum control. Trigger shoe and trigger safety are precision machined from 6061 T6 aluminum billet for precise engagement, smooth movement, and superb responsiveness. Engagement surfaces on the stainless steel trigger bar are mirror polished for outstanding sensitivity and consistency. Basic Fulcrum trigger includes preassembled trigger shoe, safety lever, and trigger bar. Complete Trigger Kit contains the trigger, trigger bar, trigger block, ejector, connector, trigger spring, and a lightweight stainless steel firing pin safety plunger and spring to further refine the trigger pull. Comes with a reduced-power striker spring to produce a lighter-feeling trigger for competition, and the factory-weight striker spring for daily carry and duty use.

## Safety Instruction Guide

### Introduction

Thank you for choosing the FULCRUM DROPIN TRIGGER KIT for your Glock®. This product has been designed to enhance the performance of your firearm while ensuring safety and reliability. This guide provides essential safety instructions, installation procedures, and general guidelines to help you use the product effectively and safely.

### General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Keep the trigger area clear of obstructions and fingers when installing or adjusting the trigger.
- Use eye protection when working with or firing your firearm.
- Store the trigger kit and firearm in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding firearm modifications.

### Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation.
- Avoid using the trigger kit with firearms not specified in the product description.
- Do not modify the trigger kit or any of its components.
- Regularly inspect the trigger kit for wear or damage. Replace if necessary.
- If you experience any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.
- Use the appropriate tools as specified in the installation instructions to avoid injury.

### Instructions for Installation and Usage

#### Installation Steps

##### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including the included hex wrench.

##### 2. Disassembly:

- Remove the slide and frame from the Glock® following the manufacturer's disassembly instructions.
- Carefully remove the factory trigger assembly.

##### 3. Installation of the Fulcrum Trigger Kit:

- Insert the new trigger bar into the frame.
- Align the trigger shoe and safety lever according to the installation guide.
- Secure the assembly in place using the provided hexhead screws. Adjust for pretravel and overtravel as needed.

##### 4. Reassembly:

- Reattach the slide to the frame.

- Conduct a function check to ensure the trigger operates correctly.

## **Usage Instructions**

- Once installed, familiarize yourself with the trigger's feel and response.
- Adjust the pretravel and overtravel settings to suit your preference.
- Regularly practice safe handling and shooting techniques.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the trigger kit, follow local guidelines for electronic waste and hazardous materials.
- Do not throw the product in the regular trash if it contains components that may be harmful to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the FULCRUM DROPIN TRIGGER KIT, please refer to the manufacturer's website or customer service resources. Always ensure that you are using products that comply with local regulations and safety standards.

## **Conclusion**

Your safety is our priority. By following the above guidelines and instructions, you can ensure the safe and effective use of your FULCRUM DROPIN TRIGGER KIT for Glock®. Always stay informed about safety practices and regulations to enhance your experience. Thank you for your attention to safety and for choosing our product.
