# Safety Instruction Guide for LOW PROFILE LOADED CHAMBER INDICATOR

## Introduction

Thank you for choosing the Apex Loaded Chamber Indicator Block. This product is designed to enhance the safety and appearance of your Smith & Wesson M&P Shield firearm by replacing the traditional popup loaded chamber indicator. Please read this safety instruction guide carefully to ensure safe and proper usage of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your firearm is pointed in a safe direction during installation and usage.
- Keep the firearm out of reach of children and unauthorized users.
- Regularly inspect the Loaded Chamber Indicator for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.

## Specific Safety Precautions for Use

- Do not attempt to modify the Loaded Chamber Indicator Block in any way.
- Ensure that you are using the product specifically designed for the M&P Shield model.
- Always check that the firearm is unloaded before installation or maintenance.
- If you experience any malfunctions with the Loaded Chamber Indicator, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is completely unloaded.
- Remove the slide from the frame according to the manufacturer's instructions.
- Locate the area where the original loaded chamber indicator was installed.
- Carefully replace the original indicator with the Apex Loaded Chamber Indicator Block.
- Ensure that the block is securely in place and does not interfere with the operation of the firearm.
- Reassemble the slide onto the frame.

### 2. Usage

- After installation, familiarize yourself with the new appearance of your firearm.
- Regularly check the Loaded Chamber Indicator for proper fit and function.
- Practice safe handling and storage of your firearm at all times.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If you need to dispose of the Loaded Chamber Indicator Block, follow local guidelines for disposal of metal products.
- Do not burn or incinerate the product.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the Apex Loaded Chamber Indicator Block, please consult a qualified gunsmith or refer to the manufacturer's website for additional resources.

This safety instruction guide is designed to ensure your safety and satisfaction with the Apex Loaded Chamber Indicator Block. By following these guidelines, you can help ensure a safe and enjoyable experience with your firearm.
