MAGAZINE Safety Instruction Guide

Introduction

Thank you for choosing the P32 Factory Magazine for your KelTec P32 firearm. This guide provides essential safety instructions to ensure the safe and proper use of this product. It is important to read and understand these instructions before using the magazine.

General Safety Guidelines

- Always treat all firearms and magazines as if they are loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for any damage or defects before each use.
- Only use the magazine with the specified model (KelTec P32).
- Store the magazine in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding the use and storage of magazines and firearms.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times when handling the magazine.
- Do not attempt to modify or alter the magazine in any way.
- Use only the recommended cartridge type (32 Auto (ACP)) for this magazine.
- Avoid using the magazine if it exhibits signs of wear or malfunction.
- Do not exceed the magazine's capacity (7 rounds) to prevent malfunctions.
- Always verify that the magazine is properly seated in the firearm before use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the KelTec P32.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Usage:

- Load the magazine with the appropriate cartridges (32 Auto (ACP)).
- Insert the loaded magazine into the firearm as described in the installation section.
- Always check that the magazine is securely in place before firing.
- After use, remove the magazine from the firearm and store it safely.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not throw the magazine in regular household waste.
- Consider recycling options if available in your area.
- If the magazine is damaged or defective, contact a professional for safe disposal.

Contact Information for Further Support

For any questions or concerns regarding the P32 Factory Magazine, please refer to the manufacturer's contact information provided with your product packaging or consult the manufacturer's website for additional support.

Remember, safety is paramount when handling firearms and related accessories. Always prioritize responsible use and storage practices.
