MARLIN 75 99M1 Inside Magazine Tube Safety Instructions

Introduction

Thank you for purchasing the MARLIN 75 99M1 Inside Magazine Tube from THE GUN GARAGE. This product is designed specifically for use with pre1975 Marlin model 99M1 and 75 rifles. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms and related accessories with care.
- Ensure that the firearm is unloaded before installing or handling the magazine tube.
- Store the magazine tube out of reach of children and unauthorized users.
- Regularly inspect the magazine tube for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use only with Marlin model 99M1 and 75 rifles manufactured before 1975.
- Do not attempt to modify the magazine tube in any way.
- Ensure that the magazine tube is properly installed before using the firearm.
- Avoid using the magazine tube if it shows signs of damage or wear.
- If you experience any malfunctions or issues, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Installation

- Remove the existing magazine tube from the firearm.
- Align the new MARLIN 75 99M1 Inside Magazine Tube with the magazine housing.
- Carefully slide the tube into place until it is fully seated.
- Ensure that the metal follower is functioning properly within the tube.

3. Usage

- Load the magazine tube according to the manufacturer's specifications.
- Always check that the tube is securely attached before use.
- After use, inspect the magazine tube for any signs of wear or damage.

Disposal Instructions

- Dispose of the magazine tube in accordance with local regulations regarding metal waste.
- Do not dispose of the magazine tube in regular household waste.
- Consider recycling options for metal components where available.
