

QUICK-RELEASE ACCESSORY MOUNT - AMERICAN DEFENSE MANUFACTURING AD-170-VPG 5-LUG PICATINNY RISER MOUNT STANDARD LEVER BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

Patented, Easy-On/Easy-Off System For Mounting Lights, Vertical Grips & Other Accessories

Convenient, quick-detach mount clamps solidly to almost any Picatinny or Weaver-style rail for mounting weaponlights, vertical grips, lasers, optics, and other accessories that need to be removed and reinstalled quickly. Increases the flexibility of your weapon and allows quick changes of accessory configuration to meet individual mission requirements. Lever-lock system will not work loose under recoil; the more force acting on the lever, the tighter it locks, yet when you depress the release tab, the lever swings open easily. Adjust gripping force with a flat head screwdriver or coin for an ultra-secure fit even on non-mil-spec, over- or under-sized rails. Lever may be configured to lock to the front or the rear to suit the operator's preference. Locking bar on the side of the mount engages maximum rail area, while the crossbolt and two integral locking lugs ensure rock-solid engagement with rail slots.

Attributes

- Name: [AMERICAN DEFENSE MANUFACTURING AD-170-VPG 5-LUG PICATINNY RISER MOUNT STANDARD LEVER BLACK](#)

QUICKRELEASE ACCESSORY MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the QUICKRELEASE ACCESSORY MOUNT by American Defense Manufacturing. This product is designed to securely attach various accessories to your weapon while allowing for quick detachment when needed. Please read this safety instruction guide carefully to ensure safe and effective use of the mount.

General Safety Guidelines

- Always ensure that the mount is securely attached to the rail before use.
- Regularly inspect the mount for wear, damage, or loose components.
- Do not exceed the weight limit specified by the manufacturer for mounted accessories.
- Keep the mount and attached accessories out of reach of children.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the weapon is unloaded before attaching or detaching the mount.
- Always use the mount in accordance with the manufacturer's instructions.
- Be aware of your surroundings and ensure that the mounted accessories do not pose a risk to yourself or others.
- Do not modify the mount or its components in any way that could compromise safety.
- Use a flat head screwdriver or coin to adjust the gripping force only as needed for a secure fit.
- Locking bar should engage properly with the rail to avoid accidental detachment during use.

Instructions for Installation and Usage

1. Installation

- Ensure the weapon is unloaded.
- Identify the Picatinny or Weaverstyle rail location where you wish to mount the accessory.
- Align the mount with the rail and slide it into position.
- Use the leverlock system to clamp the mount securely. Adjust the gripping force with a flat head screwdriver or coin if necessary.
- Confirm that the mount is locked in place by checking that the lever is securely closed.

2. Usage

- To detach the mount, press the release tab on the lever. Ensure that you are in a safe area when doing this.
- When reattaching, follow the installation steps to ensure a secure fit.
- Adjust the lever to lock either to the front or rear based on your preference.

3. Maintenance

- Regularly clean the mount and rail to prevent dirt and debris from affecting performance.
- Inspect the mount for signs of wear or damage before each use.
- Replace any damaged components immediately to maintain safety.

Disposal Instructions

- Dispose of the mount and its components in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it contains hazardous materials.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the QUICKRELEASE ACCESSORY MOUNT, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the QUICKRELEASE ACCESSORY MOUNT. Your attention to these guidelines helps ensure a safe and effective experience.
