

# RECON-X EXTENDED SCOPE MOUNTS - AMERICAN DEFENSE MANUFACTURING RECON 34MM EXTENDED SCOPE MOUNT 3" OFFSET

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Similar to the standard RECON, the RECON-X mount is made for putting high power glass onto a flattop style AR-15. The cantilever on the RECON-X provides extended eye relief over the standard RECON. At 3" of offset it provides the longest built in eye relief of any ADM Mount. Precision machined from 6061 T6 Aluminum and finished in hard coat T3 Mil-Spec anodize. It features the Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems

# RECONX Extended Scope Mount Safety Instructions

## Introduction

Thank you for choosing the RECONX Extended Scope Mount from American Defense Manufacturing. This product is designed to securely mount high power optics on flattop style AR15 rifles. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure you are familiar with the operation and handling of firearms before using the RECONX mount.
- Always handle firearms and accessories with care, treating every firearm as if it is loaded.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- If you experience any issues with the mount, discontinue use immediately and seek professional assistance.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with the RECONX mount.
- **Mounting:** Ensure that the mount is securely attached to the rifle before use. A loose mount can affect accuracy and safety.
- **Rail Compatibility:** The RECONX mount is designed to fit both in spec and out of spec rail systems. Ensure compatibility before installation.
- **Weight Limit:** Do not exceed the weight limit recommended for the mount. Excessive weight can compromise stability and safety.
- **Adjustment:** Make adjustments to the mount only when the firearm is unloaded and pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including an appropriate torque wrench.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Place the RECONX mount onto the Picatinny rail of your firearm.
- Align the mount with the desired position ensuring it is securely seated on the rail.
- Use the QD Auto Lock Lever system to lock the mount in place. Ensure it is tightened according to the manufacturer's torque specifications.

### 3. Optic Installation:

- Mount your scope onto the RECONX mount, ensuring it is properly aligned.
- Secure the scope according to the manufacturer's instructions.

### 4. Final Check:

- After installation, doublecheck that all components are securely fastened.
- Perform a function check to ensure the mount and scope operate as intended.

#### 5. Usage:

- Always ensure that your firearm is in a safe condition before and after use.
- Regularly check the mount for tightness and stability during use.

## Disposal Instructions

- Dispose of the RECONX mount in accordance with local regulations regarding metal and aluminum products.
- Do not dispose of the mount in regular household waste.
- Consider recycling the mount to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the RECONX Extended Scope Mount, please refer to the manufacturer's website or contact their customer service for assistance. Ensure you have the product information available for quicker support.

## Important Note

This product is intended for use by individuals who are familiar with firearms and their accessories. If you are inexperienced, seek guidance from a qualified professional before use. Always prioritize safety in all firearm-related activities.

Thank you for choosing the RECONX Extended Scope Mount. Enjoy your shooting experience responsibly and safely.
