

RECON-SL BOLT ACTION SCOPE MOUNTS - AMERICAN DEFENSE MANUFACTURING 1" 0 MOA BOLT ACTION MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Similar to the AD-RECON-S, the AD-RECON-SL mount is made for putting high power glass onto a bolt action rifle. This is the lowest mount that AMD offers. The AD-RECON-SL is a straight up scope mount with no eye relief built in. It is precision machined from 6061 T6 aluminum and finished in hard coat T3 Mil-Spec anodize. It features the Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems.

Safety Instruction Guide for RECONSL BOLT ACTION SCOPE MOUNTS

Introduction

Thank you for choosing the RECONSL Bolt Action Scope Mount from American Defense Manufacturing. This product is designed to provide a secure and stable platform for mounting high power optics on your bolt action rifle. To ensure safe and effective use of this product, please read the following safety guidelines and instructions carefully.

General Safety Guidelines

- Ensure that the scope mount is compatible with your rifle and the scope you intend to use.
- Always handle firearms and accessories with care, following all relevant safety protocols.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the scope mount for signs of wear or damage before each use.
- Do not exceed the manufacturer's weight limit for mounted optics.
- Always use the scope mount in accordance with the manufacturer's instructions.

Specific Safety Precautions for Use

- **Installation:** Ensure that the mount is securely attached to the rifle's rail system before use. A loose mount can lead to misalignment and potential accidents.
- **Adjustment:** Be cautious when adjusting the mount. Make sure the rifle is pointed in a safe direction and that the safety is engaged.
- **Transport:** When transporting your rifle with the scope mounted, ensure that it is stored securely to prevent damage to the mount and scope.
- **Shooting Range Safety:** Follow all range safety rules and guidelines when using your rifle equipped with this scope mount.

Instructions for Installation and Usage

1. Installation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Remove the mount from the packaging.
- Align the mount with the Picatinny rail on your rifle.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Check that the mount is firmly attached and does not move.

2. Mounting the Scope:

- Place your scope into the mount, ensuring it is properly aligned.
- Tighten the scope rings or clamps according to the manufacturer's instructions.
- Check for proper eye relief and make adjustments as necessary.

3. Usage:

- Once installed, check the alignment of the scope and the mount before heading to the range.
- Practice safe shooting habits and ensure that your rifle is always pointed in a safe direction.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of in regular household waste.
- Ensure that any components that could pose a hazard are handled safely during disposal.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly through their official website or customer service channels. Ensure you have your product details on hand for reference.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your RECONSL Bolt Action Scope Mount. Always prioritize safety and compliance with local laws and regulations when using firearms and related accessories. Thank you for your attention to these important safety guidelines.
