

RECON-SL BOLT ACTION SCOPE MOUNTS - AMERICAN DEFENSE MANUFACTURING AD-RECON-SL 34MM 20 MOA MOUNT FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Similar to the AD-RECON-S, the AD-RECON-SL mount is made for putting high power glass onto a bolt action rifle. This is the lowest mount that AMD offers. The AD-RECON-SL is a straight up scope mount with no eye relief built in. It is precision machined from 6061 T6 aluminum and finished in hard coat T3 Mil-Spec anodize. It features the Patented QD Auto Lock Lever system to accommodate both in spec and out of spec rail systems.

Attributes

- Name: [AMERICAN DEFENSE MANUFACTURING AD-RECON-SL 34MM 20 MOA MOUNT FDE](#)

Safety Instruction Guide for RECONSL Bolt Action Scope Mounts

Introduction

Thank you for choosing the RECONSL Bolt Action Scope Mount by American Defense Manufacturing. This guide provides essential safety information to ensure the proper use and handling of your scope mount. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the scope mount for any signs of damage or wear.
- Always follow the manufacturer's instructions for installation and usage.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may result in scope misalignment or failure.
- Failure to secure the mount properly could lead to scope detachment during use.

- **Avoiding Hazards:**

- Always ensure that the scope mount is securely fastened to the rifle.
- Do not exceed the recommended weight limit for the scope.
- Use the product only with compatible rail systems to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Clean the mounting area on the rifle to remove any debris.
- Align the scope mount with the rifle's rail system.
- Use the provided tools to securely attach the mount, ensuring it is tight but not overtorqued.
- Doublecheck the alignment of the mount before proceeding.

2. Usage:

- After installation, check the scope's alignment through the mount.
- Adjust the scope to your desired settings before use.
- Periodically check the mount and scope for tightness during use, especially after firing a few rounds.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling materials where applicable.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the RECONSL Bolt Action Scope Mount, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
