

ADJUSTABLE REAR SIGHT FOR GLOCK® - L.P.A. SIGHTS

ADJUSTABLE WHITE OUTLINE REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: Works with the factory front sight. Fits the existing dovetail slot without milling work. Machined from solid steel using state-of-the-art cnc milling. Tapered dovetail for a better locking in the slide (install from left to right). Allen wrench and adjustment screw driver included in the package.

Safety Instruction Guide for Adjustable Rear Sight for Glock® L.P.A. Sights

Introduction

Thank you for choosing the Adjustable Rear Sight for Glock® L.P.A. Sights. This guide provides essential safety instructions and information for the proper use and installation of this product. Please read this guide carefully to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle your firearm safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sight.
- Use the provided Allen wrench and adjustment screwdriver only for their intended purpose.
- Avoid using excessive force when adjusting the sight to prevent damage.
- Do not attempt to modify the sight or the firearm in any way not specified in this guide.
- If you experience any issues during installation or use, seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather the necessary tools: an Allen wrench and adjustment screwdriver.

2. Installation:

- Remove the factory rear sight from your firearm by following the manufacturer's instructions.
- Align the new adjustable rear sight with the existing dovetail slot.
- Install the sight from left to right, ensuring it is properly seated in the dovetail.
- Tighten the sight using the provided Allen wrench, ensuring it is secure but not overly tight.

3. Adjustment:

- Use the adjustment screws to set windage (horizontal) and elevation (vertical) to your preference.
- Make small adjustments and test the sight at the range to ensure proper alignment.

4. Usage:

- Regularly check the sight for stability and alignment before each use.
- Always ensure proper sight alignment and target acquisition during shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and plastic waste.

- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, consult local waste management authorities.

Contact Information for Further Support

For questions or further assistance regarding the Adjustable Rear Sight for Glock® L.P.A. Sights, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with enhanced accuracy and safety!
