

# COLT ADJUSTABLE REAR SIGHT - L.P.A. SIGHTS COLT 70/80/90 WHITE OUTLINE ADJUSTABLE REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

The single adjustable rear sight which easily fits the most popular auto pistols without replacement of the factory front sight. By replacing the factory rear sight with a tpu, adjustable in windage and elevation with hardened click screws, you will convert your semi-auto into a modern firearm ready for target and practical shooting. Features: Works with the factory front sight. Fits the existing dovetail slot without milling work. Machined from solid steel using state-of-the-art cnc milling. Tapered dovetail for a better locking in the slide (install from left to right). Allen wrench and adjustment screw driver included in the package.

# COLT Adjustable Rear Sight Safety Instructions

## Introduction

Thank you for choosing the COLT Adjustable Rear Sight, designed for use with Colt 70/80/90 models. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Always handle firearms with care and follow standard safety protocols.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Inspect the sight regularly for any signs of wear or damage.
- Do not use the sight if it is damaged or does not fit securely.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with this sight.
- Ensure that the sight is properly adjusted before engaging in shooting activities.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to adjust the sight while aiming or firing the firearm.
- Use only compatible ammunition with your firearm to avoid malfunctions.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded.
2. Remove the factory rear sight by following the manufacturer's instructions.
3. Align the COLT Adjustable Rear Sight with the existing dovetail slot.
4. Install the sight from left to right to ensure proper locking.
5. Use the provided Allen wrench to secure the sight in place.
6. Adjust the windage and elevation using the hardened click screws as needed.

### Usage

- After installation, check the alignment of the sight with the factory front sight.
- Make adjustments to the sight based on your shooting preferences and conditions.
- Test the sight at a safe shooting range to ensure proper functionality.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Consider recycling options for metal components where available.

## Contact Information for Further Support

For any inquiries or concerns regarding the COLT Adjustable Rear Sight, please refer to the manufacturer's contact information provided in the product packaging or user manual.

Thank you for prioritizing safety while using your COLT Adjustable Rear Sight. Enjoy your shooting experience.

responsibly!
