S&W M&P White Dot Adjustable Sight Set Safety Instructions

Introduction

Thank you for choosing the S&W M&P White Dot Adjustable Sight Set manufactured by L.P.A. SIGHTS. This product is designed to enhance your shooting experience while ensuring safety during use. Please read and follow these safety instructions carefully to ensure safe use and compliance with EU safety regulations.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the sight set.
- Use the sight set only for the intended model, which is the Smith & Wesson M&P.
- Familiarize yourself with your firearm's manual and the sight set's specifications before use.
- Store the sight set in a cool, dry place away from direct sunlight when not in use.
- Regularly inspect the sight set for any signs of damage or wear before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are in a safe environment when using the firearm equipped with the sight set.
- Always wear appropriate eye and ear protection when shooting.
- Keep the firearm pointed in a safe direction at all times.
- Do not allow anyone to stand in front of the firearm while it is being used.
- Avoid modifying the sight set in any way that is not recommended by the manufacturer.
- Be cautious of the sight's adjustment mechanisms to prevent accidental changes during use.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old sight if applicable, following the manufacturer's instructions.
- Align the new White Dot Adjustable Sight with the mounting area.
- Secure the sight in place using the provided screws or tools.
- Check that the sight is firmly attached and does not move.

2. Usage

- After installation, adjust the sight according to your shooting preferences.
- Test the sight alignment by aiming at a target in a safe environment.
- Make adjustments as necessary while ensuring safety throughout the process.
- Regularly check the sight for stability and alignment before each shooting session.

Disposal Instructions

- Dispose of the sight set in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.
