

M-LOK TAPE SWITCH MOUNTING PLATE - MAGPUL M-LOK TAPE SWITCH MOUNT PLATE FOR SUREFIRE ST PRESSURE PAD

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

The M-LOK Tape Switch Mounting Plate is a mount designed to attach Surefire ST pressure pads on M-LOK compatible systems. It is molded of the same high quality polymer as other Magpul products providing light weight with extremely rugged construction, and the M-LOK recoil lugs and T-Nuts make for an extremely secure mounting system. A low profile design allows the user more mounting options without interfering with other equipment and it's rounded and beveled edges provides a snag free surface. Made in U.S.A.

MLOK Tape Switch Mounting Plate Safety Instruction Guide

Introduction

Thank you for choosing the MLOK Tape Switch Mounting Plate by Magpul. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the MLOK Tape Switch Mounting Plate is compatible with your MLOK system before installation.
- Always inspect the mounting plate for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for updates on product recalls via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the mounting plate.
- Ensure that the mounting plate is securely attached to prevent accidental detachment during use.
- Avoid using the mounting plate in extreme temperatures or harsh environments that may affect its integrity.
- Be cautious when handling tools during installation to avoid injury.
- Use the mounting plate only for its intended purpose, which is to mount Surefire ST pressure pads.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a suitable wrench or screwdriver.
- Ensure the installation area is clean and free from debris.

2. Installation Steps

- Identify the desired location on your MLOK compatible system where the mounting plate will be attached.
- Align the MLOK recoil lugs with the slots on your system.
- Insert the TNuts into the slots and ensure they are properly positioned.
- Secure the mounting plate by tightening the screws with the appropriate tool. Ensure that it is firmly attached but do not overtighten to avoid damaging the plate or the MLOK system.

3. Usage

- Once installed, attach the Surefire ST pressure pad to the mounting plate as per the manufacturer's instructions.
- Regularly check the tightness of the mounting plate to ensure it remains secure during use.

Disposal Instructions

- Dispose of the MLOK Tape Switch Mounting Plate in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.

Contact Information for Further Support

For any inquiries or further assistance regarding the MLOK Tape Switch Mounting Plate, please refer to the manufacturer's website or contact their customer support service.

Thank you for your attention to these safety guidelines. Enjoy using your MLOK Tape Switch Mounting Plate safely and effectively!
