## Introduction

Thank you for choosing the 1913 LIGHT MOUNT MODULARKEYMOD by Bravo Company. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Always use the product as intended and in accordance with the manufacturer's instructions.
- Ensure that the mounting surface is clean and free from debris before installation.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Keep the product away from children and unauthorized users.
- Store the product in a safe place when not in use.

## Specific Safety Precautions for Use

- Ensure that the light mount is securely attached to the rail system before use.
- Do not exceed the manufacturer's specified weight limit for mounted accessories.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Be cautious of sharp edges during installation and handling.
- If you experience any difficulty during installation or usage, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Select the desired mounting position on the 1913 rail system (either 3 or 9 o'clock positions).
- Align the mounting holes of the light mount with the rail system.
- Use the provided screws to securely attach the light mount to the rail. Ensure screws are tightened but do not overtighten to avoid damage.
- If using the optional high or low mounting position, follow the same steps, ensuring a secure fit.

### 2. Usage Instructions:

- After installation, attach your compatible pistol/weapon light to the mount.
- Ensure that the light is firmly secured and operates correctly before use.
- Regularly check the attachment to ensure it remains secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in household waste.
- If unsure about the disposal method, contact your local waste management authority for guidance.
