

# AR-15 45 DEGREE OFFSET SIGHT SET - TROY INDUSTRIES AR-15 FLIP-UP 45 DEGREE OFFSET SIGHT SET BLACK

[Rifle Parts](#) > [Sights](#) > [Sight Sets](#)

Durability and dead-on accuracy have made Troy Industries Folding BattleSights the choice of Special Ops and tactical users worldwide. The TROY 45 Degree Folding BattleSights fold compactly to both sides of the rifle. With an ambidextrous sight base, TROY 45 Degree BattleSights work seamlessly with magnified optics. Easy to install and deploy, these sights position apertures at factory height. A stainless-steel cross-locking system ensures sight remains upright and zeroed under extreme combat conditions. This set features a M4 style front sight and Dioptic rear sight. Note: Sight is designed to work on same plane rail systems only. Will not work with a railed gas block that is higher or lower than the receiver.

# AR15 45 Degree Offset Sight Set Safety Instruction Guide

## Introduction

Thank you for choosing the TROY Industries AR15 45 Degree Offset Sight Set. This product is designed for durability and precision, making it a popular choice among tactical users and special operations forces worldwide. Please read this safety instruction guide carefully to ensure safe and effective use of your new sight set.

## General Safety Guidelines

- Ensure that the sight set is installed correctly to avoid any accidents or malfunctions.
- Regularly inspect the sight for any signs of wear or damage.
- Always adhere to local laws and regulations regarding firearm modifications and accessories.
- Keep the sight set out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the sight set with compatible rail systems on the same plane.
- Do not attempt to install the sight on a railed gas block that is higher or lower than the receiver.
- Avoid using the sight in extreme weather conditions that could impair visibility or functionality.
- When deploying the sight, ensure that it is fully locked in place to maintain accuracy.
- Be aware of your surroundings and follow firearm safety protocols at all times.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your firearm is unloaded and pointed in a safe direction before beginning installation.
- Locate the rail system on your AR15 where you wish to install the sight.
- Align the sight base with the rail and slide it into place.
- Use the provided hardware to secure the sight firmly to the rail. Ensure it is tightened to prevent any movement during use.
- Confirm that the sight is positioned at factory height for optimal accuracy.

### 2. Usage

- To deploy the sight, gently flip it up to the desired position.
- Ensure that the sight is fully extended and locked before taking aim.
- Adjust the sight as necessary for windage and elevation to achieve the desired accuracy.
- After use, fold the sight back down to the compact position to protect it from damage.

## Disposal Instructions

- Dispose of the sight set in accordance with local regulations regarding electronic and firearm accessories.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged beyond repair, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please contact the manufacturer directly through the provided channels. Ensure you have your product details on hand to facilitate assistance.

Thank you for prioritizing safety and responsible use with your TROY Industries AR15 45 Degree Offset Sight Set. Enjoy your enhanced shooting experience!
