

EXTREME DUTY GUN GREASE - LUCAS OIL PRODUCTS EXTREME DUTY GUN GREASE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Used and recommended by major firearms manufacturers, Lucas Extreme Duty Gun Grease is a premium, heavy duty firearm grease formulated with a unique additive system designed to provide maximum lubrication under the most severe operating conditions. This is true firearms grease, it was developed to lubricate and protect under the harshest heat, friction and pressures of sustained firing while reducing friction and wear. Its unique formulation is designed to prevent rust and corrosion from rain and moisture in fresh and saltwater environments. Application to metal surfaces and bores will prevent corrosion during both use and long term storage. Lucas Oil Extreme Duty Gun Grease withstands extreme pressures and cushions metal surfaces with an 80 LB Timken load (35 LB is the minimum industry standard). Lucas Oil Extreme Duty Gun Grease is recommended for all firearm types. It provides excellent lubrication and protection on shotguns, pistols and revolvers as well as full auto carbines, rifles and belt fed machine guns. Smooth tacky consistency stays where you apply it. Excellent rust protection. Prevents saltwater corrosion. Long lasting all-weather lubrication. Temperature range -20 to 540 F. Timken Load - 80 lbs (over twice the minimum industry standard). Weld Point - 620 Kg (over 3x the minimum industry standard).

EXTREME DUTY GUN GREASE Consumer Safety Instruction Guide

Introduction

Thank you for choosing Lucas Oil Products Extreme Duty Gun Grease. This premium firearm grease is designed to provide superior lubrication and protection for your firearms under extreme operating conditions. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- **Product Safety:** Ensure safe use of this nonfood product by following all instructions.
- **Enhanced Recalls:** Be aware of standardized recall notices and remedies for dangerous products.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care is advised if the product is used around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact for this product.
- **Rapid Alerts:** Stay informed about unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. If contact occurs, rinse thoroughly with water.
- Keep out of reach of children and pets.
- Do not ingest. If swallowed, seek medical attention immediately.
- Use in a wellventilated area to avoid inhalation of fumes.
- Avoid using near open flames or high heat sources as the product is flammable.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Ensure the cap is tightly sealed after use to prevent leaks.

Instructions for Installation and Usage

1. Preparation:

- Clean the firearm surfaces to be lubricated, removing dirt and old grease.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Application:

- Apply a small amount of Lucas Oil Extreme Duty Gun Grease to the desired metal surfaces and bores.
- Use a brush or cloth to spread the grease evenly, ensuring complete coverage.
- Avoid overapplication as it may attract dirt and debris.

3. PostApplication:

- Allow the grease to settle for a few minutes before using the firearm.
- Regularly check for any buildup of dirt or old grease and clean as necessary.

4. Storage:

- Store the grease in its original container with the lid tightly closed.
- Keep the product away from children and pets.

Disposal Instructions

- Dispose of any unused or expired product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of Lucas Oil Products Extreme Duty Gun Grease, please refer to the designated EU contact point associated with this product.

By adhering to these safety guidelines and instructions, you can ensure the effective and safe use of Lucas Oil Products Extreme Duty Gun Grease for your firearms. Thank you for your attention to these important safety considerations.
