

EXTREME DUTY BORE SOLVENT - LUCAS OIL PRODUCTS 16OZ EXTREME DUTY BORE SOLVENT 12/PACK

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

Used and recommended by major firearms manufacturers, Lucas Extreme Duty Bore Solvent & Ultrasonic Gun Cleaner is a premium blend of cleaning solvents and corrosion inhibitors. It easily removes carbon and powder residue from actions as well as copper and lead fouling from cylinders and barrels. The solvent based formula cleans deep to remove old oils and grease and provides a micro thin layer of rust and corrosion inhibitor on metal surfaces and bores. It is safe on polymers and factory applied firearm finishes. Lucas Extreme Duty Bore Solvent & Ultrasonic Gun Cleaner's solvent based formula was designed to thoroughly and efficiently clean firearms using an ultrasonic cleaner. Its high flash point makes it ideal for heated tank ultrasonic cleaners. The special formulation is designed to be used straight from the bottle without any messy mixing and without having to use a rinsing agent or lubrication dip, saving you time and money. After ultrasonic cleaning, simply remove your firearm, allow it to drip dry or used compressed air, lubricate per manufacturer's instructions and reassemble. Your firearm is clean, protected from corrosion inside and out, lubricated and ready for storage or carry. Cleans and protects your firearms, provides excellent rust protection. Low odor, pleasant grape scent, contains no ammonia, kerosene or water. Great for use in ultrasonic cleaners, solvent based formula requires no mixing, rinsing or oil dip after ultrasonic use, saving time and money. Ideal in heated units, flash point of 210° F is much safer than other products.

Safety Instruction Guide for EXTREME DUTY BORE SOLVENT

Introduction

Thank you for choosing Lucas Extreme Duty Bore Solvent & Ultrasonic Gun Cleaner. This product is designed to effectively clean and protect your firearms. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the product for any purpose other than its intended use.
- Store the product in a cool, dry place away from direct sunlight.
- Do not mix with other chemicals or solvents unless specified.
- Always check for updates on product safety and recall information.

Specific Safety Precautions for Use

- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and seek medical attention if irritation persists.
- Use in a wellventilated area to minimize inhalation of vapors.
- Do not ingest the product. If swallowed, seek medical help immediately.
- Keep away from heat sources, sparks, and open flames due to the flammable nature of the solvent.
- Use appropriate personal protective equipment (PPE) such as gloves and safety glasses when handling the product.

Instructions for Installation and Usage

1. **Preparation:** Before using the solvent, ensure your firearm is unloaded and pointed in a safe direction.
2. **Application:**
 - Use the solvent directly from the bottle without mixing.
 - Apply the solvent to the areas needing cleaning, including barrels and cylinders.
3. **Ultrasonic Cleaning:**
 - Place the firearm in an ultrasonic cleaner filled with the solvent.
 - Follow the manufacturer's instructions for the ultrasonic cleaner settings.
4. **PostCleaning:**
 - After cleaning, remove the firearm and allow it to drip dry or use compressed air to remove excess solvent.
 - Lubricate the firearm as per the manufacturer's instructions.
5. **Storage:** Once the firearm is clean and lubricated, store it in a safe place.

Disposal Instructions

- Dispose of any unused product and empty containers in accordance with local regulations.
- Do not dispose of the product in household waste or down the drain.
- Check for any specific disposal instructions on the product label or safety data sheet.

Contact Information for Further Support

For further support or inquiries regarding the product, please refer to the contact details provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of the Lucas Extreme Duty Bore Solvent & Ultrasonic Gun Cleaner. Thank you for your attention to these guidelines, and enjoy using your product responsibly.
