

PMAG® 7.62 AC 308 WINCHESTER MAGAZINE FOR AICS SHORT ACTION - MAGPUL PMAG 5 7.62 AC 308 WINCHESTER 10RD FOR AICS SA BLK 1/PACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 5 7.62 AC and PMAG 10 7.62 AC are a reliable and durable polymer magazine for .308 Winchester-based family of cartridges and is compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock. Compatible with short action AICS-spec bottom metal, to include the Bolt Action Magazine Well for the Hunter 700 Stock, the PMAG 5 and 10 7.62 AC magazines bring additional capacity in an affordable and reliable package. Featuring GEN M3® technology, a paint-pen dot matrix for visual identification, and a flared base plate for positive control and ease of retrieval, the PMAG 10 7.62 AC sets a new standard for bolt action magazines.

FEATURES RUGGED POLYMER BODY WITH AN IMPROVED FLOORPLATE Next-generation impact and crush-resistant polymer construction. Flared and removable floorplate aids magazine handling and is easy to disassemble for maintenance.

ADVANCED FOLLOWER Self-lubricating follower for increased reliability. Modifiable follower leg can be easily clipped to increase the capacity by one extra cartridge. Includes a long-life stainless steel spring.

EASY IDENTIFICATION Utilize the paint pen dot matrix to easily identify magazines with different loadouts.

Made in the USA. SPECS Caliber: 7.62x51mm / .308

Winchester Capacity: 5 or 10 Round depending on magazine Compatibility

Compatible with short action AICS (Accuracy International Chassis Systems)

pattern bottom metal and cartridges built on a 0.470" case head such as

7.62x51/.308 Winchester, 7mm-08 Remington, 6.5mm Creedmoor, .260

Remington, .243 Winchester, and others* *PLEASE NOTE: Not compatible with smaller base diameter cartridges such as .220 Swift, .223 Remington, .300

AAC Blackout, etc. or larger short action magnums. In addition, due to the

wide variety and potential combinations of aftermarket receivers, stocks,

chassis, and bottom metal that accept AICS pattern mags, minor fitting may

be required. Not compatible with Accuracy International AE rifles or semi-auto

platforms utilizing SR25/M110 pattern magazines. The Sig Cross rifles ship

with a Magpul PMAG 5 7.62 AC that has a proprietary sled follower for

optimized single-round loading through the ejection port. The standard PMAG

5 7.62 AC (MAG549) and PMAG 5 7.62 AC (MAG579) are compatible with the

Sig Cross, and feeding performance will be the same from the Sig Cross OEM

Magpul magazine or the standard Magpul PMAG 7.62 AC magazines. The

original PMAG 5 7.62 AC magazine, identified by its green lock plate and

follower, was optimized for the .308 Winchester based family of cartridges and

is compatible with short action AICS-spec bottom metal, to include the Bolt

Action Magazine Well for the Hunter 700 Stock, and performed well with most

non-.308 based cartridges in nearly all applications. Some three lug bolt action

rifle platforms, such as the Ruger American Rifle®, presented some occasional

feeding concerns when used with the standard green follower PMAG 5 7.62 AC

magazine. Magpul have made an inline change to a new design of spring and

follower. The revised PMAG 5 7.62 AC magazine, easily identified with its

brown lock plate and follower, has been optimized to ensure complete Magpul

reliability with a broad range of calibers in the Ruger American Rifle® and

other 3-lug bolt designs, while maintaining or improving the proven Magpul

reliability in Remington® 700 footprint platforms and other 2-lug bolt action

designs. For the Hunter American stock, Magpul recommend using only the

new, brown follower magazines, in calibers like 6.5 Creedmoor. All other

actions, and the Ruger in .308, can use either version interchangeably.

Attributes

- Name: [MAGPUL PMAG 5 7.62 AC 308 WINCHESTER 10RD FOR AICS SA BLK 1/PACK](#)

PMAG® 7.62 AC 308 Winchester Magazine Safety Instructions

Introduction

Thank you for purchasing the PMAG® 7.62 AC 308 Winchester magazine. This guide provides essential safety instructions and guidelines to ensure the safe use of your magazine. Please read this document carefully to understand how to use, maintain, and dispose of the product safely.

General Safety Guidelines

- Always handle the magazine with care, treating it as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not use the magazine with incompatible cartridges or firearms.
- Store the magazine in a cool, dry place away from direct sunlight.
- Follow all local laws and regulations regarding magazine usage and storage.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- Always verify that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify the magazine in any way that could compromise its safety or functionality.
- Use only the recommended cartridges as specified in the product description.
- Be mindful of your surroundings and ensure that you are in a safe environment when using the magazine.
- If you experience any malfunctions while using the magazine, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the magazine is clean and free of debris.
- Hold the magazine with the feed lips facing up.
- Insert the cartridges into the magazine, starting from the rear and pushing down until they click into place.
- Do not exceed the magazine's capacity (5 or 10 rounds, depending on the model).

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it locks into place.

3. Removing the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Grasp the magazine and pull it straight out of the magazine well.

4. Maintenance:

- Regularly clean the magazine using a mild detergent and soft cloth.

- Avoid using abrasive materials that could damage the magazine.
- Inspect the follower and spring for wear and replace if necessary.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding plastic and metal waste.
- If the magazine is damaged beyond repair, it should be disposed of in a way that prevents unauthorized use.
- Do not incinerate the magazine, as it may release harmful chemicals.

Contact Information for Further Support

For any safety inquiries or concerns regarding your PMAG® 7.62 AC 308 Winchester magazine, please contact the manufacturer directly through their official channels. Ensure you have your product information ready for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your PMAG® 7.62 AC 308 Winchester magazine. Thank you for prioritizing safety.
