# EJECTOR BLOCK AR15.COM AR15/M16 EJECTOR BLOCK Safety Instruction Guide

## Introduction

Thank you for choosing the Ejector Block from AR15.com. This product is designed to securely hold the AR15 bolt, facilitating easy assembly and disassembly of the ejector. To ensure your safety and the proper functioning of the product, please carefully read and follow the instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the Ejector Block is used in a safe and controlled environment.
- Keep the Ejector Block and all related components out of reach of children and vulnerable individuals.
- Regularly inspect the Ejector Block for any signs of wear or damage before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Always follow local laws and regulations regarding the use of firearms and related tools.

## Specific Safety Precautions for Use

- Use the Ejector Block only for its intended purpose – handling AR15 bolt components.
- Avoid using excessive force when compressing the ejector; this may lead to injury or damage to the product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the Ejector Block.
- Ensure that the area where you are working is welllit and free from distractions.
- Do not attempt to modify or alter the Ejector Block in any way.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the Ejector Block is clean and free from debris.
- Gather all necessary tools and components, including a .223 dummy round or a piece of spent brass.

### 2. Using the Ejector Block

- Place the AR15 bolt securely in the Ejector Block.
- Insert the .223 dummy round or spent brass into the bolt to compress the ejector.
- Carefully install or remove the ejector as needed while maintaining control of the bolt.

### 3. PostUse

- After use, remove the bolt from the Ejector Block and store both components in a safe location.
- Clean any residue from the Ejector Block and ensure it is dry before storage.

## Disposal Instructions

- Dispose of the Ejector Block in accordance with local regulations regarding electronic and mechanical waste.
- If the product is damaged beyond repair, ensure that it is disposed of in a way that prevents any potential hazards to the environment or public safety.

## **Contact Information for Further Support**

For any inquiries regarding the Ejector Block or safety concerns, please contact the appropriate EUbased support contact. Ensure that you have the product details handy for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to responsible use of our products.
