

VICKERS TACTICAL MAGAZINE FLOORPLATE FOR GLOCK® 42 - TANGODOWN VICKERS TACTICAL MAGAZINE FLOORPLATES

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Floorplates](#)

Back up pistols are designed to be...small. Maybe a little too small, depending on the size of hands you own. If your firing grip puts your pinky finger in space, the Vickers Tactical Floor Plate is the answer. Its shape is soft and contoured, extending downward just enough to allow all fingers to grip the weapon for maximum recoil control. It also features indentations on both sides to allow positive magazine removal, should the magazine become stuck in the weapon. Made of the same bomb-proof polymer found in all VT Floor Plates, comes in pack of 2. Note: the VTMFP-003 does NOT change magazine capacity. Fits Glock Model 42. Will not fit Glock Models 25, 28. Extended front strap allows positive firing grip with all fingers. Injection molded from ultra-strong and durable glass-filled polymer

Attributes

- Name: [TANGODOWN VICKERS TACTICAL MAGAZINE FLOORPLATES](#)
- Manufacturer: [TANGODOWN](#)
- Product no.: 100017675

Vickers Tactical Magazine Floorplate for Glock® 42 Safety Instructions

Introduction

Thank you for choosing the Vickers Tactical Magazine Floorplate for your Glock® 42. This product is designed to enhance your grip and control of the firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the Vickers Tactical Floorplate is properly installed before use.
- Do not use the floorplate if it shows signs of damage or wear.
- Avoid using the floorplate with incompatible Glock models (e.g., Models 25, 28).
- Be cautious when removing the magazine, especially if it appears stuck.
- Keep your fingers and other body parts away from the firearm's action when loading or unloading.
- Always use the floorplate as intended and do not modify it in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure the magazine is unloaded and the firearm is pointed in a safe direction.
- Remove the existing floorplate from the magazine by pressing the release tab and sliding it off.
- Align the Vickers Tactical Floorplate with the magazine and slide it into place until it clicks securely.
- Check that the floorplate is firmly attached and does not move.

2. Usage:

- Grip the firearm securely, ensuring that all fingers, including the pinky, are properly positioned on the floorplate.
- When firing, maintain a firm grip to enhance recoil control.
- If the magazine becomes stuck, use the indentations on both sides of the floorplate to assist in removal.

Disposal Instructions

- Dispose of the Vickers Tactical Floorplate in accordance with local regulations.
- Do not throw the product in regular household waste. Check for recycling programs in your area for plastic materials.
- Ensure that any unused or damaged products are disposed of safely to prevent accidental use.

Contact Information for Further Support

For any questions or concerns regarding the Vickers Tactical Magazine Floorplate, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is paramount. Enjoy using your Vickers Tactical Magazine Floorplate responsibly.
