

# TRIM-IT II CASE TRIMMER - ACT COLEMAN 6.5MM CREEDMOOR CALIBER DIE

[Reloading](#) > [Case Preparation](#) > [Case Trimming](#) > [Case Trimmers](#)

The TRIM-IT II mounts to any standard drill or drill press, making your case trimming faster and a whole lot easier. The adjustable 3-way cutter features a 3-sided carbide blade that allows you to trim, chamfer, and de-burr virtually any caliber of rifle or pistol brass. It features a built-in micrometer that allows for supremely accurate cut-length control and quick adjustability. The TRIM-IT II is not caliber specific, interchangeable dies are available but sold separately.

# TRIMIT II Case Trimmer Safety Instructions

## Introduction

Thank you for choosing the TRIMIT II Case Trimmer. This manual provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the TRIMIT II to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

- Always use the TRIMIT II in accordance with the manufacturer's instructions.
- Ensure that the drill or drill press you are using is in good working condition.
- Keep the work area clean and welllit to avoid accidents.
- Store the TRIMIT II in a dry place to prevent damage.
- Always wear appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Be aware of the potential hazards associated with cutting tools and take necessary precautions.
- Do not allow children or unauthorized individuals to use the TRIMIT II.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the TRIMIT II is securely mounted to the drill or drill press before use.
- Do not exceed the recommended speed settings for the drill or drill press.
- Keep hands and other body parts clear of the cutting area while the tool is in operation.
- Always use the TRIMIT II with the appropriate caliber of brass to prevent damage.
- Do not attempt to modify or alter the TRIMIT II in any way.
- If the tool becomes damaged or malfunctions, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Mount the TRIMIT II securely onto any standard drill or drill press.
- Ensure that the cutter is aligned properly to avoid misalignment during operation.
- Check that the micrometer is set to the desired cut length before starting.

### 2. Usage:

- Select the appropriate caliber of brass for trimming.
- Insert the brass case into the TRIMIT II and ensure it is held securely.
- Start the drill or drill press and allow the cutter to trim the brass case.
- Monitor the trimming process and make adjustments to the micrometer as necessary.
- Once trimming is complete, turn off the drill or drill press and carefully remove the brass case.

## Disposal Instructions

- Dispose of any brass shavings and debris in accordance with local regulations.
- If the TRIMIT II becomes damaged beyond repair, dispose of it in an environmentally friendly manner.
- Do not dispose of the TRIMIT II in general waste; check for recycling options in your area.

## Contact Information for Further Support

For any safety inquiries or further support regarding the TRIMIT II, please contact the manufacturer or your local

distributor. Always keep the product packaging and documentation for reference.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the TRIMIT II Case Trimmer.
