# FN SCAR 16 Adaptable Stock Safety Instruction Guide

## Introduction

Thank you for purchasing the FN SCAR 16 Adaptable Stock from Kinetic Development Group. This guide provides essential safety instructions and usage information to ensure you can use your product safely and effectively. Please read this guide thoroughly before use.

## General Safety Guidelines

- **Product Safety:** Ensure that the stock is used in accordance with the instructions provided. Misuse may lead to injury or damage.
- **Enhanced Recalls:** Stay informed about product recalls by checking the appropriate channels. If you receive a recall notice, stop using the product immediately and follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** Keep the product out of reach of children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, refer to your local EU consumer protection agency.
- **Rapid Alerts:** Monitor updates on unsafe products via the Safety Gate system.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to stock failure. Use of the stock with incompatible rifles may cause malfunctions. The stock may pinch skin when folding or unfolding.
- **Avoiding Hazards:** Always follow installation instructions carefully. Ensure compatibility with your SCAR platform rifle before use. Keep hands clear of moving parts when folding or unfolding.
- **Age Specific Warnings:** This product is not intended for use by individuals under 18 years of age without adult supervision.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that the rifle is unloaded and safe to handle.
  2. Remove the existing stock from the SCAR platform rifle as per the manufacturer's instructions.
  3. Align the Kinetic SAS kit with the SCAR adapter, ensuring that it fits snugly.
  4. Secure the adapter bracket using the provided screws, ensuring it is tightened properly.
  5. Check that the stock is firmly attached before use.
- **Usage:** **Folding:** To fold the stock, press the spring lock tension and gently fold the stock to the side. Ensure it locks in place before handling. **Adjusting Positions:** The stock has 7 telescoping adjustable positions. To adjust, pull the stock to the desired length until it clicks into place. **Cheek Riser:** Adjust the cheek riser for optimal comfort and alignment with the sight. Ensure it is securely locked after adjustment. **QD Cup:** The Quick Detach (QD) cup can be used on either side of the stock for sling attachment. Ensure it is securely fastened before use.

## Disposal Instructions

- **Disposal:** Dispose of the stock and packaging in accordance with local regulations. Do not dispose of the stock in regular household waste. Check for recycling options or designated disposal facilities for nonfood products.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety and product usage, please refer to your local consumer protection agency or the retailer from which you purchased the product.

Thank you for your attention to these safety instructions. Enjoy your FN SCAR 16 Adaptable Stock responsibly and safely.
