Padded Vickers Sling Safety Instructions

Introduction

Thank you for choosing the Padded Vickers Sling by Blue Force Gear. This safety instruction guide is designed to ensure the safe use and handling of your sling. Please read and follow these guidelines carefully to maximize your safety and the performance of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Padded Vickers Sling by adhering to all safety instructions and guidelines.
- **Enhanced Recalls:** Stay informed about any recall notices related to the product. If a recall occurs, follow the instructions provided for safe returns or remedies.
- **Online Shopping:** When purchasing online, ensure that the platform complies with safety standards and provides necessary product information.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- Always inspect the sling for any signs of wear or damage before use.
- Ensure the sling is properly adjusted to fit your body and the weapon securely.
- Do not exceed the maximum sling length of 67 inches when fully extended.
- Avoid using the sling with weapons that exceed the recommended weight capacity.
- Do not modify the sling in any way that could affect its performance or safety.
- Use the sling only for its intended purpose; do not use it for lifting or carrying heavy loads unrelated to firearms.
- Keep the sling away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Attach the sling to the designated attachment points on your weapon.
- Ensure that the Quick Adjuster is securely fastened and functioning properly.
- Adjust the length of the sling to fit your body and weapon size. The sling should allow for quick transitions from carry to combatready positions.

2. Usage:

- When carrying your weapon, ensure the sling is adjusted to a comfortable length that allows for easy movement.
- In combat situations, quickly adjust the sling using the Quick Adjuster to ensure the weapon is secure and ready for use.
- After use, ensure the sling is properly stored in a safe location, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the Padded Vickers Sling in accordance with local regulations regarding textile and plastic waste.
- If the sling is damaged beyond use, consider recycling materials where possible.
- Do not dispose of the sling in regular household waste if it can be recycled or repurposed.

Contact Information for Further Support

For any questions or concerns regarding the Padded Vickers Sling, please refer to the contact information provided by your retailer or manufacturer. They will be able to assist you with any inquiries related to product safety and performance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
