Safety Instruction Guide for the Padded Vickers Sling

Introduction

Thank you for choosing the Padded Vickers Sling by Blue Force Gear. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your sling. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure that the sling is used only for its intended purpose. It is designed for carrying and transitioning with a slung rifle.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please consult a local authority or the retailer from whom you purchased the product.
- **Rapid Alerts:** Report any unsafe experiences with the sling to the appropriate authorities.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always check the sling for any signs of wear, damage, or defects before use.
- **Proper Adjustment:** Ensure that the sling is properly adjusted to fit the weapon and user. An incorrectly sized sling can lead to accidents.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of the sling. This may compromise its integrity and safety.
- **Use in Safe Environments:** Avoid using the sling in crowded or unstable environments where accidental discharge could occur.
- **Secure Attachment:** Make sure the sling is securely attached to the weapon before use. Loose attachments can lead to drops or accidents.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's recommendations for usage and care.

Instructions for Installation and Usage

1. Installation:

- Locate the attachment points on your weapon.
- Securely attach the sling clips to the designated points.
- Ensure that the sling is not twisted and lays flat against the weapon.

2. Adjustment:

- To adjust the length of the sling, use the Quick Adjuster.
- Pull the adjuster to shorten the sling or pull the webbing to extend it to the desired length.
- Confirm that the adjustment is secure before carrying the weapon.

3. Usage:

- When transitioning from carrying to combatready position, ensure that the sling is not obstructing

your movement.

- Practice transitioning with an unloaded weapon to familiarize yourself with the sling's operation.
- Always maintain control of the weapon while using the sling.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the sling in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Padded Vickers Sling, please reach out to your retailer or consult local authorities for guidance.
