

M-LOK TRIPOD ADAPTER - MAGPUL M-LOK TRIPOD ADAPTER BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The M-LOK Tripod Adapter for metal M-LOK compatible hand guards or forends mounts directly onto any tripod head equipped with the common Manfrotto RC2/Q2 interface. This adapter allows the user to mount their rifle directly to a tripod head without the use of any additional saddles giving them a secure shooting platform. The M-LOK Tripod Adapter is machined from aluminum and finished in Mil-Spec anodizing which offers excellent corrosion resistance. The beveled ends and corners produce a minimal footprint allowing the user to keep the M-LOK Tripod Adapter attached to the weapon system at all times with minimal snagging hazards. This adapter is part of the ever growing M-LOK product line from Magpul Industries. Made in U.S.A. Compatible exclusively with Manfrotto products using RC2/Q2 rapid connect adapter. Directly mounts to metal M-LOK hand guards and forends Cammed T-Nuts Mil-Spec anodized aluminum Beveled ends and corners Recoil/impact mitigation lugs

MLOK Tripod Adapter Safety Instructions

Introduction

Thank you for choosing the MLOK Tripod Adapter from Magpul Industries. This product is designed to enhance your shooting experience by providing a secure platform for mounting your rifle to a tripod. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure the product is used only as intended and in accordance with these instructions.
- Always inspect the adapter and tripod for signs of wear or damage before use.
- Keep the adapter and tripod in a safe and dry location when not in use.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.
- Always follow local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the tripod when mounting your rifle.
- Ensure that the MLOK Tripod Adapter is securely attached to the metal MLOK hand guards or forends before use.
- Avoid using the adapter in adverse weather conditions that could affect stability or safety.
- When not in use, detach the rifle from the adapter to prevent accidental discharge.
- Always use proper eye and ear protection while shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure that the tripod head is compatible with the Manfrotto RC2/Q2 interface.
- Align the MLOK Tripod Adapter with the MLOK slots on your hand guard or forend.
- Insert the cammed Tnuts into the MLOK slots and tighten securely using the appropriate tools.
- Verify that the adapter is firmly attached and does not move.

2. Using the Adapter:

- Attach your rifle to the tripod head by sliding it into the Manfrotto RC2/Q2 interface.
- Ensure that the rifle is securely locked in place before adjusting the tripod.
- Make necessary adjustments to the tripod height and angle for optimal shooting position.
- Always check the stability of the setup before taking a shot.

Disposal Instructions

- Dispose of the MLOK Tripod Adapter in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material if possible.

Conclusion

Your safety is of utmost importance. By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MLOK Tripod Adapter. Always stay informed about any updates or recalls that may affect your product. Thank you for being a responsible user.
