# FIREPOWER BASE PAD FOR GLOCK® 43 SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the FIREPOWER BASE PAD FOR GLOCK® 43 from TARAN TACTICAL INNOVATIONS. This product is designed to enhance your magazine's performance while ensuring safety during use. Please read this safety instruction guide thoroughly to ensure proper handling, installation, and maintenance of the base pad.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing the base pad.
- Store the base pad and all firearm accessories in a secure location, out of reach of children and unauthorized users.
- Do not use the base pad if it is damaged or shows signs of wear. Inspect it regularly for any defects.
- Follow all local laws and regulations regarding firearm accessories and modifications.
- Use the base pad only with the Glock 43 model as specified. It is not compatible with other models.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times while handling the base pad.
- Avoid placing fingers near the magazine release button when installing or removing the base pad.
- Do not attempt to modify the base pad or use it in ways not intended by the manufacturer.
- If you experience any issues during installation or use, cease use immediately and consult a qualified gunsmith or firearms expert.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Firearm:** Ensure that the Glock 43 is unloaded and the magazine is removed.
2. **Remove the Existing Base Pad:**
  - Locate the push pin on the current base pad.
  - Use your fingers to gently push the pin out, releasing the base pad from the magazine.
3. **Install the FIREPOWER Base Pad:**
  - Align the new base pad with the magazine.
  - Push the base pad onto the magazine until it clicks into place.
  - Ensure the push pin is fully engaged to secure the base pad.
4. **Check Installation:** Pull on the base pad gently to ensure it is firmly attached.

### Usage

- The FIREPOWER BASE PAD for Glock 43 is designed to provide an additional +2 rounds of capacity.
- For +1 configuration, use the stock factory spring.
- Always doublecheck that the base pad is secure before use and that the magazine functions correctly.
- Regularly inspect the base pad and magazine for any signs of wear or damage.

## Disposal Instructions

- Dispose of any damaged or worn base pads in accordance with local regulations.
- Do not dispose of the base pad in regular household waste. Consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the FIREPOWER BASE PAD FOR GLOCK® 43, please refer to the instructions provided by the manufacturer or consult a qualified firearms expert.

Please remember to report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority, and we appreciate your commitment to responsible firearm handling.
