## General Safety Guidelines

- Always treat firearms and accessories with respect and care.
- Ensure you follow all local laws and regulations regarding firearms and their accessories.
- Inspect the base pad and magazine before each use to ensure they are in good condition.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the base pad if it appears damaged or compromised.
- Ensure the base pad is securely attached to the magazine before use.
- Avoid using excessive force when attaching or detaching the base pad.
- Do not attempt to modify or alter the base pad in any way.
- Always wear appropriate eye and ear protection when handling firearms.
- Use only compatible Glock models (17, 22, 34, 35) with this base pad.
- Ensure that the magazine is fully seated in the firearm before firing.

## Instructions for Installation and Usage

### 1. Installation of the Base Pad:

- Ensure the magazine is unloaded and the firearm is in a safe condition.
- Align the base pad with the bottom of the magazine.
- Press the base pad onto the magazine until it clicks into place.
- Verify that the base pad is securely attached by gently pulling on it.

### 2. Usage:

- Load the magazine with ammunition according to the manufacturer's guidelines.
- Insert the magazine into the firearm, ensuring it is fully seated.
- To detach the base pad, press the push pin and slide the base pad off the magazine.
- Always keep the firearm pointed in a safe direction when loading or unloading.

### 3. Reloading:

- When reloading, ensure you have a firm grip on the magazine.
- Allow the magazine to drop freely to facilitate faster reloads.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
