Safety Instruction Guide for BASE PAD +3/+4 FOR GLOCK® 17/22

Introduction

Thank you for choosing the BASE PAD +3/+4 for GLOCK® 17/22 from Taran Tactical Innovations. This product is designed to enhance your magazine capacity and improve your shooting experience. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only as intended, following all instructions provided.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the base pad for any signs of wear or damage before each use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.
- Always adhere to local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Use the base pad only with compatible GLOCK® models: 17, 22, 34, and 35.
- Do not attempt to modify or alter the base pad in any way.
- Ensure that the magazine is unloaded before attaching or detaching the base pad.
- Avoid using excessive force when attaching or detaching the base pad to prevent damage.
- Be cautious of the increased magazine capacity; ensure you are familiar with your firearm's handling characteristics.

Instructions for Installation and Usage

1. Installation:

- Ensure that the magazine is unloaded.
- Align the base pad with the magazine and gently push it into place until you hear a click.
- Verify that the base pad is securely attached by gently pulling on it.

2. Usage:

- Load the magazine with ammunition as per your firearm's specifications.
- Practice reloading with the full magazine to familiarize yourself with the weight and handling.
- Always follow safe firearm handling practices when using your GLOCK® with the base pad attached.

3. Disassembly:

- To detach the base pad, ensure the magazine is unloaded.
- Press the push pin located on the base pad and gently pull it away from the magazine.
- Store the base pad and magazine in a safe place when not in use.

Disposal Instructions

- Dispose of the base pad in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond use, contact local recycling facilities for proper disposal options.

Contact Information for Further Support

For any questions or concerns regarding the BASE PAD +3/+4 for GLOCK® 17/22, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others are of utmost importance. Enjoy your enhanced shooting experience with the BASE PAD +3/+4!
