Safety Instruction Guide for BASE PAD +3/+4 FOR GLOCK® 17/22

Introduction

Thank you for choosing the BASE PAD +3/+4 FOR GLOCK® 17/22 by Taran Tactical Innovations. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used only with compatible Glock models (17, 22, 34, 35).
- Always handle firearms and accessories with care and follow all safety protocols.
- Keep the base pad out of reach of children and unauthorized users.
- Inspect the base pad regularly for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Do not exceed the recommended ammunition capacity (18+1 rounds of 40S&W in Glock 22/35, 21+1 rounds of 9mm in Glock 17/34, and 18+1 rounds of 9mm in Glock 19).
- Always ensure the firearm is unloaded before attaching or detaching the base pad.
- Avoid using the base pad with any other firearms or models not specified in this guide.
- Be cautious when handling loaded magazines to prevent accidental discharge.
- Ensure that the magazine is fully seated in the firearm before use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the magazine from the firearm.
- Use the patented push pin design to attach the base pad to the magazine.
- Ensure the base pad is securely attached and does not wobble or move.

2. Usage:

- Load the magazine with the appropriate ammunition, ensuring not to exceed the recommended capacity.
- Insert the magazine into the firearm, ensuring it is fully seated.
- When reloading, the added weight of the base pad allows for easier magazine drops, facilitating faster reloads.

3. Disassembly:

- To detach the base pad, ensure the firearm is unloaded.
- Use the push pin design to easily detach the base pad from the magazine.
- Store the base pad and magazine in a safe location when not in use.

Disposal Instructions

- Dispose of the base pad in accordance with local regulations concerning metal products.
- Do not dispose of the product in regular household waste.

- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support, please consult the official website of Taran Tactical Innovations or contact your local distributor. Ensure you have the product details available for reference.

Conclusion

By following these safety instructions, you can enjoy the benefits of the BASE PAD +3/+4 FOR GLOCK® 17/22 while minimizing risks associated with firearm accessories. Always prioritize safety and adhere to local laws and regulations. Thank you for choosing Taran Tactical Innovations.
