

# EXTREME WEAPON LUBE (EWL) 30 - SLIP 2000 EWL30 EXTREME WEAPONS LUBE 30, 1OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Slip 2000 EWL30 has the same properties as the EWL except it is a lot thicker. It contains a proprietary thickening agent that makes this lubricant consistency like a 30wt. motor oil. It was designed for those who love the EWL, but wanted a lubricant that would not migrate at all and did not want to use a grease. EWL 30 IS a fantastic CLP (cleaner, lubricant, protector). Will not attract dust, dirt or sand like petroleum products Will not harden or become tacky Will not dry out and leave unprotected metal behind Will reduce cleaning frequency No need for 5 or 6 other potential dangerous cleaners Contains No Petroleum distillates or other toxic ingredients

## Attributes

- Name: [SLIP 2000 EWL30 EXTREME WEAPONS LUBE 30, 1OZ BOTTLE](#)
- Manufacturer: [SLIP 2000](#)
- Product no.: 100018011

# EXTREME WEAPON LUBE (EWL) 30 Safety Instruction Guide

## Introduction

Thank you for choosing EXTREME WEAPON LUBE (EWL) 30. This guide provides important safety information to ensure the safe use of this product. Please read all instructions carefully to minimize risks and ensure effective use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a lubricant and protector for weapons.
- Keep out of reach of children and vulnerable individuals.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Always read the label and product information before use.
- In case of accidental ingestion or contact with eyes, seek medical advice immediately.

## Specific Safety Precautions for Use

- Do not use EWL 30 on food preparation surfaces or utensils.
- Avoid prolonged skin contact. If skin irritation occurs, wash the affected area with soap and water.
- Use in a wellventilated area to avoid inhalation of vapors.
- Do not mix with other lubricants or chemicals unless specified by the manufacturer.
- Ensure that the product is not applied to hot surfaces or equipment.
- Use appropriate personal protective equipment (PPE), such as gloves and safety goggles, when handling the product.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surface of the weapon to remove any dirt, old lubricant, or debris.
- Ensure that the weapon is unloaded and safe to handle.

### 2. Application:

- Shake the bottle gently before use.
- Apply a small amount of EWL 30 directly to the areas that require lubrication, such as moving parts and mechanisms.
- Use a clean cloth or applicator to spread the lubricant evenly.

### 3. PostApplication:

- Allow the lubricant to settle for a few minutes before using the weapon.
- Wipe off any excess lubricant to prevent accumulation of dirt and debris.

### 4. Cleaning:

- Regularly inspect the weapon for any signs of wear or buildup of lubricant.
- Use a suitable cleaning solution to remove any residue if necessary.

## **Disposal Instructions**

- Dispose of any unused product or empty containers in accordance with local regulations.
- Do not pour down the drain or dispose of in regular household waste.
- Check with local waste disposal authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of EXTREME WEAPON LUBE (EWL) 30, please refer to the manufacturer's website or contact their customer support team.

Thank you for following these safety guidelines to ensure a safe and effective experience with EXTREME WEAPON LUBE (EWL) 30.
