

# EXTREME WEAPON LUBE (EWL) 30 - SLIP 2000 EWL30 EXTREME WEAPONS LUBE 30, 4OZ BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Slip 2000 EWL30 has the same properties as the EWL except it is a lot thicker. It contains a proprietary thickening agent that makes this lubricant consistency like a 30wt. motor oil. It was designed for those who love the EWL, but wanted a lubricant that would not migrate at all and did not want to use a grease. EWL 30 IS a fantastic CLP (cleaner, lubricant, protector). Will not attract dust, dirt or sand like petroleum products Will not harden or become tacky Will not dry out and leave unprotected metal behind Will reduce cleaning frequency No need for 5 or 6 other potential dangerous cleaners Contains No Petroleum distillates or other toxic ingredients

## Attributes

- Name: [SLIP 2000 EWL30 EXTREME WEAPONS LUBE 30, 4OZ BOTTLE](#)
- Manufacturer: [SLIP 2000](#)
- Product no.: 100018012

# EXTREME WEAPON LUBE (EWL) 30 Safety Instruction Guide

## Introduction

Thank you for choosing EXTREME WEAPON LUBE (EWL) 30. This product is designed to provide superior lubrication and protection for your equipment. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always follow the instructions provided in this guide.
- Store the product in a cool, dry place away from direct sunlight.
- Keep out of reach of children and pets.
- Use the product only for its intended purpose.
- In case of accidental ingestion or contact with eyes, seek medical attention immediately.
- Report any unsafe product experiences or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Avoid inhaling vapors and ensure adequate ventilation when using the product.
- Do not apply the lubricant near open flames or sources of ignition.
- Do not mix with other chemicals or products unless specified in the instructions.
- Wear protective gloves and eyewear if you have sensitive skin or are prone to allergies.
- Check for any allergic reactions by testing a small amount on a nonsensitive area of skin before full application.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be lubricated is clean and free from dirt, dust, and old lubricant residues.

### 2. Application:

- Shake the container well before use.
- Apply a small amount of EWL 30 directly to the area requiring lubrication.
- Use your fingers or a clean cloth to spread the lubricant evenly.

### 3. PostApplication:

- Allow the lubricant to settle for a few minutes before using the equipment.
- Wipe off any excess lubricant to prevent attracting dust and dirt.

### 4. Cleaning:

- Clean any spills immediately with a dry cloth.
- Dispose of any used cloths or materials according to local regulations.

## Disposal Instructions

- Dispose of the product container and any unused lubricant in accordance with local waste disposal regulations.

- Do not pour the product down drains or into the environment.
- Check for local recycling programs for empty containers.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product label or visit the manufacturer's website for more information.

By following these guidelines, you can ensure a safe and effective experience with EXTREME WEAPON LUBE (EWL) 30. Thank you for prioritizing safety in your usage of this product.
