EXTREME WEAPONS GREASE SLIP 2000 Safety Instruction Guide

Introduction

Thank you for choosing EXTREME WEAPONS GREASE SLIP 2000. This synthetic grease is designed to provide superior lubrication for extreme weapons, ensuring optimal performance and longevity. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always store the product in a cool, dry place away from direct sunlight and heat sources.
- Keep out of reach of children and pets.
- Do not ingest the product. It is not a food item and can be harmful if swallowed.
- Use the product only for its intended purpose as described in this guide.
- In case of accidental contact with eyes or skin, rinse thoroughly with water. Seek medical attention if irritation persists.
- Dispose of any unused product according to local regulations to prevent environmental contamination.

Specific Safety Precautions for Use

- Ensure proper ventilation when using the product to minimize inhalation of vapors.
- Avoid contact with skin and eyes. Wear protective gloves and safety goggles if necessary.
- Do not mix with other lubricants or chemicals unless specified by the manufacturer.
- Use only in wellventilated areas, especially when applying in large quantities.
- Do not apply near open flames or sparks, as the product may be flammable.
- If you experience dizziness, headache, or nausea while using the product, discontinue use immediately and seek fresh air.

Instructions for Installation and Usage

1. Preparation:

- Clean the surfaces to be lubricated to remove any dirt, dust, or old grease.
- Ensure that the area is dry before applying the grease.

2. Application:

- Apply a small amount of EXTREME WEAPONS GREASE SLIP 2000 to the areas that require lubrication, such as locking lugs, sears, bolts, and slides/rails.
- Use a clean applicator or your fingers (wearing gloves) to spread the grease evenly over the surface.
- Avoid overapplication, as excess grease can attract dirt and debris.

3. Postapplication:

- Allow the grease to bond with the steel parts for optimal performance.
- After use, clean any excess grease from the applicator and store the product securely.

Disposal Instructions

- Do not dispose of the product in household waste or down the drain.
- Follow local regulations for hazardous waste disposal.

- Contact your local waste management authority for specific disposal guidelines.

Contact Information for Further Support

For any safety inquiries, product information, or assistance, please refer to the manufacturer's contact details included with your product packaging. Ensure to have the product information ready when seeking support.

Conclusion

Following these safety instructions will help ensure a safe and effective experience with EXTREME WEAPONS GREASE SLIP 2000. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
