# Safety Instruction Guide for EXTREME WEAPONS GREASE SLIP 2000 4 OZ

## Introduction

Thank you for choosing EXTREME WEAPONS GREASE SLIP 2000. This synthetic grease is specifically designed to provide superior lubrication and protection for your extreme weapons. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Do not use the product if the packaging is damaged or if the product appears to be contaminated.
- In case of accidental contact with skin or eyes, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure adequate ventilation when applying the grease to avoid inhalation of vapors.
- Avoid contact with eyes; wear protective eyewear if necessary.
- Do not ingest the product. If ingested, seek medical attention immediately.
- Use gloves when applying the grease to minimize skin contact.
- Test the product on a small area before full application to ensure compatibility with materials.
- Do not mix with other lubricants or substances unless specified by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the surfaces to be lubricated to remove any dirt, dust, or old lubricant.
- Ensure that the area is dry before applying the grease.

### 2. Application:

- Shake the container well before use.
- Apply a small amount of EXTREME WEAPONS GREASE SLIP 2000 to the desired area using a clean applicator or cloth.
- Spread the grease evenly over the surface, ensuring complete coverage.
- Avoid overapplication, as this can lead to excess buildup.

### 3. PostApplication:

- Allow the grease to settle and bond with the metal surfaces.
- Wipe off any excess grease to prevent dust and dirt attraction.
- Store the product securely after use.

## **Disposal Instructions**

- Dispose of any unused product and packaging in accordance with local regulations.
- Do not dispose of the product in household waste or down the drain.
- Contact local waste management authorities for guidance on proper disposal methods.
