

AK-47 M4-72 SEVERE-DUTY BRAKE 30 CALIBER - PRECISION ARMAMENT M4-72 SEVERE-DUTY BRAKE 30 CALIBER 14-1 LH SS BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Features an innovative reverse venting triple baffle design for the highest recoil reduction in its class. Closed bottom construction combined with upward biased venting effectively eliminates both muzzle rise and dust signature. Precision machined from heat treated stainless steel for superior durability, the M4-72 can withstand the extreme heat of combat conditions without being subject to rapid erosion. Available with an advanced Ionbond® high temperature CrCN coating (matte black). Designed to fit AK-47 style rifles (7.62x39mm) with 14x1mm LH threads. Comes with two heavy duty proprietary crush springs (2 installations) offering the required pre-load for a rock solid fit and accurate alignment. Warning: Reverse venting design may cause excessive blast/concussion on barrels shorter than 14.5".

Attributes

- Name: [PRECISION ARMAMENT M4-72 SEVERE-DUTY BRAKE 30 CALIBER 14-1 LH SS BLACK](#)
- Manufacturer: [PRECISION ARMAMENT](#)
- Product no.: 100018059
- Mfr. No.: A04022
- Caliber: 7.62x39 (.310)
- Finish: Black
- Material: Stainless Steel
- Threads: 14-1 LH
- Weapon type: AK-47
- Delivery weight: 0.011kg
- Shipping height: 25mm
- Shipping width: 25mm
- Shipping length: 51mm

Safety Instruction Guide for AK47 M472 SevereDuty Brake 30 Caliber

Introduction

Thank you for choosing the AK47 M472 SevereDuty Brake 30 Caliber. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure the product is used only with compatible firearms (AK47 style rifles chambered in 7.62x39mm).
- Always handle firearms with care and follow the manufacturer's instructions.
- Inspect the product for any damage before installation. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection during use.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Recoil Management:** The reverse venting design may cause excessive blast or concussion on barrels shorter than 14.5 inches. Ensure your firearm's barrel length is appropriate to avoid risks.
- **Installation:** Follow the installation instructions carefully to ensure proper fit and function.
- **Alignment:** Use the provided crush springs for a secure fit and accurate alignment. Ensure that the brake is tightly secured before use.
- **Heat Resistance:** The M472 can withstand extreme heat, but avoid prolonged firing sessions without breaks to prevent overheating.
- **Regular Maintenance:** Regularly clean and inspect the brake for wear and tear. Replace if necessary.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and ensure that your firearm is unloaded.
2. **Installation:**
 - Remove the existing muzzle device from your firearm.
 - Clean the threads on the barrel to ensure a proper fit.
 - Align the M472 brake with the 14x1mm LH threads on the barrel.
 - Handtighten the brake onto the barrel.
 - Use the provided crush springs to achieve the required preload. Ensure the brake is secure.
3. **Usage:**
 - Before firing, doublecheck that the brake is properly installed and secured.
 - Always fire in a safe direction and be aware of your surroundings.
 - After firing, allow the brake to cool down before handling.
4. **PostUse Inspection:** After each use, inspect the brake for any signs of damage or wear. If any issues are found, do not use the product until repairs or replacements are made.

Disposal Instructions

- Dispose of the AK47 M472 SevereDuty Brake in accordance with local regulations for metal products.
- Do not dispose of in regular household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or further support regarding the safety and use of the AK47 M472 SevereDuty Brake, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your AK47 M472 SevereDuty Brake 30 Caliber. Thank you for your attention to safety.
